- **Centres/Projects** The information on the annual report should relate to the actual number of young people who have attended clubs/projects during the year April '03 - March '04 (you should be able to take this information from the register). Your figures should not be taken from the monthly reports.
- As some young people may attend both centres and projects the **TOTAL PROJECT/CENTRE MEMBERS** row is for an accurate figure of the number of young people whether they attend one or more clubs/projects (therefore not the same as adding the total of the centres and projects in previous rows).
- School, Detached/Outreach, and Advice/Information figures will be for new and repeat contacts. These figures should be collected on monthly forms and then added up for the quarterly and annual reports.
- If you have any queries, please contact Philippa Bayless or Fiona Pryor at the Youth Office on 293591.

Please complete and return this form to the Youth Office by 5<sup>th</sup> April.
