Dear Member,

Re: Discretionary Grants Programme 2004/07 - decision on outline bid applications from medium and larger sized voluntary organisations.

A report will be received at P & R Committee June 18th 2003 regarding recommendations to full bid stage from medium and larger voluntary organisations.

Attached to this letter is an appendix from that report for your information. Some of the applicant organisations will be working in your ward, others work elsewhere in the city but may be of particular interest to you.

Full information on the new programme is contained in the briefing paper " At A Glance - a guide from the Voluntary Sector Unit " distributed to all members earlier in June this year.

The Voluntary Sector Unit consulted with over thirty officers from all council directorates in order to make fully informed decisions on prioritising organisations. Emphasis was placed on meeting the council's priorities alongside ensuring that the discretionary grants programme covered the diverse range of services provided by voluntary organisations in the city.

If you wish to discuss any of these decisions, please do not hesitate to contact me.

Yours sincerely,

Jude Tyrie

Voluntary Sector Unit Manager
