

Queries from OSOC regarding street parking:

- 1) Is there information available for the public about the rules underlying street parking enforcement?
- 2) Are the parking rules different for private and commercial vehicles, in particular as regards short stops?
- 3) What is the process for dealing with public and Councillors' queries/complaints about street parking and fines?
- 4) Is there guidance for the disabled on how to properly use and display blue disabled badges and clocks?
- 5) Is it illegal to park on hard and/or soft verges, particularly where there are yellow lines?
- 6) Do parking wardens receive commission/bonuses and is it part of their remit to help keep traffic flowing?
- 7) Is the trader parking scheme working effectively?
