Maggie.

We are currently going through a major refurbishment programmed which is causing a lot of inconvenience to the members (but not the local residents I hasten to add!)

The programme finishes in July and I would like to do a party to celebrate.

Time - The music would be off at 10.45pm and building vacated by 11.30pm
Taxis - pre ordered to prevent loitering
Numbers - limited to 65 people
Balcony - closed at 10pm in line with current planning or it could be closed off earlier due to the music.

Please can you let me know a decision on this asap so we can start planning

Many Thanks

Clare Price
Club Manager
