

BRIGHTON & HOVE CITY COUNCIL – MEMBER DECLARATIONS PUBLIC REGISTER OF MEMBERS' INTERESTS

Councillor Tony Janio

The Monitoring Officer is required to maintain a register of Members' financial and other interests. This includes gifts and hospitality over the value of £25, which Members have received in connection with their official duties. On a voluntary basis, Councillors may also declare their membership of private clubs.

Registration of Interests

- The Council adopted a new local Code of Conduct ("local Code") on Sunday 30th September 2007. This new local code requires Councillors to register in the Council's register of Members' interests details of their registerable personal interests within 28 days of that date, or (if later) within 28 days of their election or appointment to office. This is done by providing written notification to the Council's Monitoring Officer.

Keeping the information up to date

- Councillors must within 28 days of becoming aware of any new registerable personal interest or change to any such interest that they have registered, register details of that new registerable personal interest or change by providing written notification to the Council's Monitoring Officer so that the information can be included in the Council's register of Members' interests.

Possible exception - sensitive information

- Under paragraph 14 of the local Code, where Councillors consider that the information relating to any of their registerable personal interests is sensitive information, and the Council's Monitoring Officer agrees, they need not include that information when registering that interest, or, as the case may be, a change to that interest.
- "Sensitive information" means information whose availability for inspection by the public creates, or is likely to create, a serious risk that the Councillor or a person who lives with him/her may be subjected to violence or intimidation.

Viewing the Registers

- The registers are available for public inspection both online and in hard copy – please note that online versions of the register only contain the home addresses of Councillors where they have requested that it is included.
- The current hard copies of the public registers for Councillors are kept by Democratic Services in Room 120 King's House.
