**COUNCIL CHAMBER, HOVE TOWN HALL**

## **ADDENDUM**

<b>ITEM</b>	Late Representations List	<b>Page</b>
-------------	---------------------------	-------------

Page	Site Address	Application No.	Update
83	Glebe Villas Playing Fields, Chelston Avenue, Hove	BH2012/00248	<p><b>Environmental Health</b> comment that there have been no noise complaints and that proposed pavilion is very similar to the existing pavilion with a comparative, if not, improved impact on adjacent properties.</p> <p>Additionally, the location of the pavilion is on a playing field where some noise from play and sporting events should be expected. The scheme does include a heat recovery system and also a small plant room and may result in a noise impact.</p> <p>No <u>objection</u> is raised subject to the following condition:</p> <p><b>Additional condition:</b></p> <p>5. Noise associated with plant and machinery incorporated into the development shall be controlled such that the Rating Level, measured or calculated at 1-metre from the façade of the nearest existing noise sensitive premises, shall not exceed a level 5db below the existing LA90 background noise level. Rating Level and existing background noise levels to be determined as per the guidance provided in BS 4142:1997. In addition, there should be no significant low frequency tones present.</p> <p><b>Reason:</b> To safeguard the amenities of the occupiers of adjoining properties and to comply with policy QD27 of the Brighton &amp; Hove Local Plan.</p> <p>An additional letter has been received from <b>15 Glebe Villas</b> withdrawing their original <u>objection</u> to the proposal subject to the scheme not resulting in a detrimental impact in terms of children being dropped off and picked up.</p>

- NB. Representations received after midday the Friday before the date of the Committee meeting will not be reported (Sub-Committee resolution of 23 February 2005).
