Evidence of compliance shall be notified to the building control body appointed for the development in the appropriate Full Plans Application, or Building Notice, or Initial Notice to enable the building control body to check compliance. A copy of the objection is attached.</p> <p>Following a re-consultation to neighbouring occupiers, a further 37 letters of objection have been received raising similar concerns to those already raised. A number of the objections raise concern that the original objections have not been addressed within the amended proposal.</p> <p>Officer Response: Issues relating to the principle of development and the proposed design are addressed in the committee report.</p> <p>Conservation Advisory Group: The Group recommended no comment on conservation grounds. Although this</p>

			<p>application is at the western extremity of the conservation area it was seen an improvement from previous applications with the inclusion of terra cotta tile hung front elevations, the design did nothing to reflect the mock tudor houses opposite, which stand outside the conservation area.</p> <p>Amend Condition 1 (Additional Drawing): Proposed first floor plan (1202 Rev. A) was omitted from the plans table listed in condition 1 within the committee report. This drawing is included within the submission and is to be considered as part of the application.</p>

Subject: BH2017/04220. 14 Tongdean Road Hove

Dear Sir/Madam

Re: BH2017/ 04220 14Tongdean Road Hove

I note that the plans for the above application have been revised. These revisions are very minor and I would like to reiterate my previous comments.

Tongdean Road is one of the most iconic roads in Hove. The area is characterised by well spaced detached houses with individual gardens. It is not a suitable area for blocks of flats of whatever size.

This would completely begin to change the whole character of the area and the street scene. It is in direct contravention of the Tongdean Conservation Area Character Statement. It is an overdevelopment of the site.

I know this application will come before the Planning Committee because of the number of objections and I would like to speak at the meeting. I wish to strongly object.

Yours sincerely

Vanessa Brown
