VALLEY GARDENS PHASE 3 (ROYAL PAVILION TO SEAFRONT) – APPROVAL OF BUSINESS CASE

CONSERVATIVE GROUP AMENDMENT

To amend recommendations 2.1 and 2.2 and add 2.3 as shown below in ***bold italics*** and where struck through.

- 2.1 That the Committee ***notes*** ~~approves~~ the draft Business Case for Valley Gardens Phase 3, as attached at Appendix 2.
- 2.2 That the Committee ***requests officers to review a new option (option 3a) based on option 3 as detailed in Item 29 on the ETS Committee agenda dated 9th October 2018 taking account of public, trade and business representations and other than minor alterations and improvements to the aquarium roundabout and surrounding public realm, retains the aquarium roundabout as existing that would also remove the changes to Maderia Drive.*** ~~grants delegated authority to the Executive Director for Economy, Environment & Culture to:-~~
- a) ~~finalise and submit the Business Case for Valley Gardens Phase 3 to the Coast to Capital Local Enterprise Partnership Board; and~~
- b) ~~negotiate and sign the Business Case Funding Agreement, subject to the Local Enterprise Partnership Board's decision to approve the release of the Local Growth Fund allocation.~~
- 2.3 ***That officers develop the new option 3a and brings to a future ETS Committee the revised option 3a as requested in 2.2 and taking account of representations and further public consultation together with an amended Business Case to reflect the new option 3a for consideration.***

Proposed by: Cllr. Wares

Seconded by: Cllr. Miller

Recommendation if carried to read:

- 2.1 That the Committee notes the draft Business Case for Valley Gardens Phase 3, as attached at Appendix 2.
- 2.2 That the Committee requests officers to review a new option (option 3a) based on option 3 as detailed in Item 29 on the Environment, Transport & Sustainability Committee agenda dated 9th October 2018 taking account of public, trade and business representations and other than minor alterations

and improvements to the aquarium roundabout and surrounding public realm, retains the aquarium roundabout as existing that would also remove the changes to Madeira Drive.

- 2.3 That officers develop the new option 3a and brings to a future Environment, Transport & Sustainability Committee the revised option 3a as requested in 2.2 and taking account of representations and further public consultation together with an amended Business Case to reflect the new option 3a for consideration.

IMPROVE BRIGHTON AND HOVE'S RECYCLING SCHEME

GREEN GROUP AMENDMENT

To add a recommendation 2.7 as shown in ***bold italics*** below.

2.7 That the Committee agrees that preliminary costing for increasing the range of plastics the Council collects, and a preliminary costing for the setting up of a food waste collection trial, will be provided at the meeting of Environment, Transport, and Sustainability Committee to be held on January 22nd 2019.

Proposed by: Cllr. Littman

Seconded by: Cllr. Greenbaum

Recommendation if carried to read:

That the Environment, Transport & Sustainability Committee notes that:

- 2.1 work on an Increasing Recycling Project and education campaign is included in officers' current work programmes and will be launched early in 2019.
- 2.2 the work already underway to reduce food waste and an initial exploration of a food waste collection service is under discussion with Veolia with details to be worked on within the City Environment Modernisation (CEM) Programme as part of the Increasing Recycling Project.
- 2.3 there is currently no, or very limited, markets for the recycling of pots, tubs and trays (PTTs) and therefore it is unlikely that a business case can be made for the investment required in collection and sorting services. However, the situation will be closely monitored for market changes.
- 2.4 a 'service guarantee' will be introduced at the end of the Increasing Recycling Project when the full extent and means by which materials can be recycled have been explored taking into account the government's forthcoming waste strategy proposals.
- 2.5 the council's events team has a sustainable events policy and works with event organisers to reduce single-use plastics (SUPs) at events. The progress made is illustrated by a case study of the plastics reduction at the Brighton Marathon, which has already been presented to the Tourism, Development & Culture Committee as part of a report on the events programme and further updates are planned.
- 2.6 an action plan setting out how the council aims to achieve the waste directive of increasing recycling rates to 50% will be presented to the committee in

January 2019 as part of the CEM update report.

- 2.7 That the Committee agrees that preliminary costing for increasing the range of plastics the Council collects, and a preliminary costing for the setting up of a food waste collection trial, will be provided at the meeting of Environment, Transport, and Sustainability Committee to be held on January 22nd 2019.

ENVIRONMENTAL ENFORCEMENT POLICY

CONSERVATIVE GROUP AMENDMENT

To amend recommendations 2.1, 2.4, 2.5 and delete recommendations 2.2 and 2.3 as shown below in ***bold italics*** and where struck through.

- 2.1 That the Committee agrees ***to invite expressions of interest from potential service providers based on the Environmental Enforcement Framework and reports back to a future ETS Committee the results providing recommendations on the best way to deliver the Environmental Enforcement Framework including the option for*** that the environmental enforcement service ***to*** will be delivered in house. ~~from the end of the current contract period.~~
- 2.2 That the Committee notes ~~that the full and final cost of bringing the service in house cannot be determined until due diligence has been completed under the Transfer of Undertakings (Protection of Employment) Regulations 2006 ('TUPE') and notes that if the costs significantly exceeds the projections outlined in this report, a further report will be brought back to committee.~~
- 2.3 That the Committee notes ~~that the council's current environmental enforcement contract may need to be extended for a period of up to six months to allow time for the TUPE process and for new ICT systems to be put in place~~
- 2.4 That the Committee grants delegated authority to the Executive Director Economy, Environment & Culture to extend the existing contract if required, ***and*** negotiate the terms of that extension. ~~and determine the date of the service transfer to the council provided that this date shall not be any later than the 1 September 2019.~~
- 2.5 That the Committee approves the Environmental Enforcement Framework ***in principle subject to paragraphs 2.1.*** ~~which sets out how the service will be delivered from the commencement of the new in house service.~~

Proposed by: Cllr. Wares

Seconded by: Cllr. Peltzer Dunn

Recommendations if carried to read:

- 2.1 That the Committee agrees to invite expressions of interest from potential service providers based on the Environmental Enforcement Framework and reports back to a future ETS Committee the results providing recommendations on the best way to deliver the Environmental Enforcement Framework

including the option for the service to be delivered in house.

- 2.2 That the Committee grants delegated authority to the Executive Director Economy, Environment & Culture to extend the existing contract if required, and negotiate the terms of that extension.
- 2.3 That the Committee approves the Environmental Enforcement Framework in principle subject to paragraphs 2.1.
- 2.4 That the Committee notes that future changes to the Environmental Enforcement Framework will be brought back to Committee for approval.
