ITEMS REFERRED FROM 25 JULY 2019 FULL COUNCIL MEETING: PETITIONS

CLOSURE OF TEMPLE STREET TO NON-RESIDENTIAL TRAFFIC

GREEN GROUP AMENDMENT

To add recommendation 2.1 as shown in ***bold italics*** below.

2.1 That the Environment, Transport and Sustainability committee calls for an officer report setting out how best to support residents of Temple Street with their request, including the level of resources required for analysing and prioritising the concerns of Temple Street residents, and to analyse the resources required to ensure consideration of the impact on adjacent roads

Proposed by: Cllr. Lloyd

Seconded by: Cllr. Heley

Recommendation if carried to read:

2.1 That the Environment, Transport and Sustainability committee calls for an officer report setting out how best to support residents of Temple Street with their request, including the level of resources required for analysing and prioritising the concerns of Temple Street residents, and to analyse the resources required to ensure consideration of the impact on adjacent roads

PARKING ANNUAL REPORT 2018-19

GREEN GROUP AMENDMENT

To add recommendation 2.3 and 2.4 as shown in ***bold italics*** below.

- 2.3. That committee requests a report to committee considering the proposal to significantly increase the provision of on-street cycle parking;***
- 2.4. That committee requests that the Assistant Director, City Transport considers inclusion of provision in the annual fees and charges report for the introduction of emissions related variable on-street and off-street car parking tariffs through pay-by-phone***

Proposed by: Cllr. West

Seconded by: Cllr. Davis

Recommendation if carried to read:

- 2.1 That the Committee endorses the publication of the Parking Annual Report for 2018/19 under the provisions of the Traffic Management Act 2004.
- 2.2 That the Committee authorises the Head of Parking to produce and publish the report, which will be made available on the Council's website and to stakeholders.
- 2.3 That committee requests a report to committee considering the proposal to significantly increase the provision of on-street cycle parking;
- 2.4 That committee requests that the Assistant Director, City Transport considers inclusion of provision in the annual fees and charges report for the introduction of emissions related variable on-street and off-street car parking tariffs through pay-by-phone

**ARBORICULTURE (TREE) STRATEGY PERMISSION TO GO TO PUBLIC
CONSULTATION**

GREEN GROUP AMENDMENT

To add recommendation 2.3 as shown in ***bold italics*** below.

2.3 That committee requests that as part of the current review of the strategy, that officers be asked to:

- provide more details within Tree Species Selection List (Appendix 4) on the climate change resilience and carbon capture potential of tree species identified;***
- explore the potential for BHCC to contribute to appropriate forest restoration in the local area***

And that further, that this committee agrees to:

- commission a report on the feasibility of the Council establishing a carbon reduction scheme, to enable local residents and businesses to invest in woodland planting, energy schemes and other local carbon reduction and carbon capturing projects***

Proposed by: Cllr. West

Seconded by: Cllr. Lloyd

Recommendation if carried to read:

- 2.1 That the Committee agrees to the implementation of a new inspection regime for the City's parks and open spaces trees as set out in the strategy section 4.2 and appendix 2
- 2.2 That the Committee agrees that the attached strategy is put out for public consultation for all other aspects as set out in section 5, prior to returning the strategy to this committee for final approval and adoption.
- 2.3 That committee requests that as part of the current review of the strategy, that officers be asked to:
- provide more details within Tree Species Selection List (Appendix 4) on the climate change resilience and carbon capture potential of tree species identified;
 - explore the potential for BHCC to contribute to appropriate forest restoration in the local area

And that further, that this committee agrees to:

- commission a report on the feasibility of the Council establishing a carbon reduction scheme, to enable local residents and businesses to invest in woodland planting, energy schemes and other local carbon reduction and carbon capturing projects
