Dear Sir/Madom

Im the ex manager of The Ranelagh public house .

I managed the Premises in 2017 to 2018 with it being a live music venue i made sure when i had live music / acts on i was doing noise checks to make sure all was ok and not causing any problems to my neighbours.

I had a very good relationship with all my neighbours even with me being a homosexual gay man,my neighbours used to come and drink in my public house and if there was ever a problem (which were very few) then they would come to chat to me in regards to the problem .

I found my neighbours to be very accomodating to my music / acts that i used to have performed and i kept the noise to a suitable volume .

yours sincerely
