Please will the council devolve the ownership of the i360 to its democratically elected ground landlord, the Brighton West Pier Trust (BWPT) with a new franchise brief to proudly own and manage it as a viable public asset of the city, rescheduled to start repaying its £40m loan to the Council 4 years later, from June 2022 to 2044, by appointing a competent manager (like Luke Johnson) to market it as the biggest sundial in in the world, with an exhibition of the history of the measurement of time, as described on [www.i360sundial.org.uk](http://www.i360sundial.org.uk)
