## **4 COMMENTARY ON THE LICENSING POLICY**

4.2 The following extracts from Guidance issued under section 182 of the Licensing Act 2003 are considered relevant to this application and **numbered as they appear in the Guidance:**

### **General**

7.2 The system of permitted temporary activities is intended as a light touch process, and as such, the carrying on of licensable activities does not have to be authorised by the licensing authority on an application. Instead, a person wishing to hold an event at which such activities are proposed to be carried on (the “premises user”) gives notice to the licensing authority of the event (a “temporary event notice” or “TEN”).

7.6 The police or Environmental Health Authority (EHA) (“relevant persons” for the purposes of TENs) may intervene to prevent such an event taking place by sending an objection to the licensing authority, which the licensing authority must consider on the basis of the statutory licensing objectives and decide whether the event should go ahead. A relevant person may also intervene by agreeing a modification of the proposed arrangements directly with the TENs user (see paragraph 7.36). If a relevant person sends an objection, this may result in the licensing authority imposing conditions on a TEN but only where the venue at which

the event is to be held has an existing premises licence or club premises certificate. When giving a TEN, the premises user should consider the promotion of the four licensing objectives. The licensing authority may only otherwise intervene if the statutory permitted limits on TENs would be exceeded (see paragraphs 7.15-7.22 of the Guidance).

- 7.7 A TEN does not relieve the premises user from any requirements under planning law for appropriate planning permission where it is required.
- 7.28 If the licensing authority receives an objection notice from the police or EHA that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection unless all parties agree that this is unnecessary. The licensing committee may decide to allow the licensable activities to go ahead as stated in the notice. If the notice is in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TEN (insofar as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions (a “notice (statement of conditions)”) and provide a copy to each relevant party. Alternatively, it can decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing authority must give a counter notice.

### **Police and environmental health intervention**

- 7.32 The system of permitted temporary activities gives police and EHAs the opportunity to consider whether they should object to a TEN on the basis of any of the licensing objectives.
- 7.33 If the police or EHA believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. The objection notice must be given within the period of three working days following the day on which they received the TEN.
- 7.34 Where a standard TEN was given, the licensing authority must consider the objection at a hearing before a counter notice can be issued. At the hearing, the police, EHA and the premises user may make representations to the licensing authority. Following the hearing, the licensing authority may decide to impose conditions which already apply to an existing premises licence or club premises certificate at the venue, or issue a counter notice to prevent the event going ahead. As noted above, there is no scope for hearings in respect of late TENs and if objections are raised by the police or EHA in relation to a late TEN, the notice will be invalid and the event will not go ahead.
- 7.35 Such cases might arise because of concerns about the scale, location, timing of the event or concerns about public nuisance – even where the statutory limits on numbers are being observed. The premises user who signs the form is legally responsible for ensuring that the numbers present

do not exceed the permitted limit at any one time. In cases where there is reason to doubt that the numbers will remain within the permitted limit the premises user should make clear what the nature of the event(s) is and how they will ensure that the permitted persons limit will not be exceeded. For example, where notices are being given for TENs simultaneously on adjacent plots of land it may be appropriate for door staff to be employed with counters. In each case it is important that licensing authorities and relevant persons can consider whether they believe that the premises user intends to exceed the 499 person limit, or will be unable to control or know whether the limit will be exceeded. Where the planned activities are likely to breach the statutory limits or undermine the licensing objectives, it is likely to be appropriate for the police or EHA to raise objections.

- 7.36 However, in most cases, where for example, alcohol is supplied away from licensed premises at a temporary bar under the control of a personal licence holder, (such as at weddings with a cash bar or small social or sporting events) this should not usually give rise to the use of these powers.

### **Modification**

- 7.37 As noted above, the police or EHA (as “relevant persons”) may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified (for example, by changing the details of the parts of the premises that are to be used for the event, the description of the nature of the intended activities or their duration). The other relevant person has to agree for the modification to be made. There is no scope under the 2003 Act for the modification of a late TEN.

### **Applying conditions to a TEN**

- 7.38 The 2003 Act provides that only the licensing authority can impose conditions to a TEN from the existing conditions on the premises licence or club premises certificate at the venue. The licensing authority can only do so:
- if the police or the EHA have objected to the TEN;
  - if that objection has not been withdrawn;
  - if there is a licence or certificate in relation to at least a part of the premises in respect of which the TEN is given;
  - and if the licensing authority considers it appropriate for the promotion of the licensing objectives to impose one or more conditions.
- 7.39 This decision is one for the licensing authority alone, regardless of the premises user’s views or willingness to accept conditions. The conditions must be notified to the premises user on the form prescribed by regulations.

## **5. FINANCIAL & OTHER IMPLICATIONS:**

### Financial Implications:

- 5.1 The licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the regime.

### Legal Implications:

- 5.2 The licensing authority must act to promote the four licensing objectives which are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

The licensing authority must have regard to its statement of licensing policy and the guidance issued by the Secretary of State in carrying out its functions.

*Lawyer Consulted: Rebecca Sidell*

*Date: 15/10/21*

### Equalities Implications:

- 5.3 Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

### Sustainability Implications:

- 5.4 Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.

**RE: TEMPORARY EVENT NOTICES X 3 FOR THE BRIGHTON ZIPWIRE, MADEIRA DRIVE, BRIGHTON, EAST SUSSEX, BN2 1TB**

**NOTICE OF OBJECTION under Section 104 (2) of the Licensing Act 2003**

To whom it may concern,

Notice of objection is hereby given on behalf of the Chief Officer of Police for Sussex for the above Temporary Event Notice (TEN) on the grounds that that it will undermine the licensing objective of the prevention of crime and disorder and public safety. We also make reference to the Public Health Framework report for Assessing Alcohol Licensing 2019 edition.

The notices seek to licence the sale by retail of alcohol 'on' the premises for the following dates:

Saturday 23<sup>rd</sup> October and Sunday 24<sup>th</sup> October 2021 – 264 people including staff  
Saturday 30<sup>th</sup> October and Sunday 31<sup>st</sup> October 2021 – 264 people including staff  
Saturday 6<sup>th</sup> November and Sunday 7<sup>th</sup> November 2021 – 264 people including staff

Each TEN is to cover the following hours:

**Saturdays** (on all 3 TENs)

Opening Hours: 12:00 – 23:30

Sale of Alcohol: 12:00 – 23:00

**Sussex Police Headquarters**  
Malling House, Church Lane, Lewes, E. Sussex, BN7 2DZ

Telephone: 101 | 01273 470101

Email: [brighton.licensing@sussex.pnn.police.uk](mailto:brighton.licensing@sussex.pnn.police.uk)

**Sundays (on all 3 TENs)**

Opening Hours: 12:00 – 22:30

Sale of Alcohol: 12:00 – 22:00

The location of the premises is on the beach prom just East of Brighton Palace Pier and the events are to be held within the premises of which most of this is open air.

The premises held an alcohol licence that was granted in April 2019 and lapsed due to non transfer following the premises licence holder company being dissolved. The alcohol licence granted in 2019 had strict restaurant conditions due to the risks associated with alcohol and especially due to the Zip Wires location on the beach. It was required that the premises only sold alcohol via waiter/waitress service to people seated at tables and ancillary to a meal. By having this condition it reduces the risk of people becoming intoxicated as they are eating a substantial meal with their drinks.

Throughout August 2021 Police Licensing officers made a number of visits to the Zip Wire site to go through the then licence conditions. Breaches were found relating to the sale of alcohol with food as this had not been taking place. Customers had been able to purchase alcohol at the bar without purchasing food. Current signage surrounding this was also not on display.

The previous TENs submitted for the Zip Wire stated they would operate under restaurant conditions but these TENs see a move to the sale of alcohol with no requirement for food to be purchased with it, just that food has to be available. Sussex Police are aware that the applicant has submitted a new premises licence application and that this is asking for café bar conditions e.g. sale of alcohol by waiter/waitress service to be consumed at tables but with no food purchase requirement. While Sussex Police acknowledge that the applicant has included a schedule of these conditions (Annex A) that they state will be adhered to throughout the periods covered by these TENs, Sussex Police continue to have no confidence that the premises will be run in a responsible manner. This is due to the fact that the premises were breaching when operating under a premises licence and as a TEN is a 'notice', as such, conditions are only 'in trust' as opposed to being legally enforceable.

Sussex Police have seen the negative effect that alcohol has, particularly in areas where there are a high number of licensed premises in a small area e.g. the seafront. It can result in persons being made vulnerable and becoming victims of numerous types of crimes. Reviewing the Public Health Framework report for assessing alcohol licensing 2019 edition, Queens Park ward, of which this location is within, is ranked 3<sup>rd</sup> highest out of 21 wards for police recorded alcohol related incidents.

There is an additional concern around the TEN covering 30<sup>th</sup> – 31<sup>st</sup> October 2021 as this falls on Halloween. Sussex Police are expecting the evening of Saturday 30<sup>th</sup> October into the early hours of Sunday 31<sup>st</sup> October as well as the evening of Sunday 31<sup>st</sup> October to be incredibly busy. The nature of Halloween events have changed over the last few years and they now require a large Police operation due to it being the most large scale celebration of the year, far surpassing New Year's Eve. Due to this, Sussex Police are applying a higher level of scrutiny to Temporary Event Notices wishing to provide licensable activity across these dates to ensure that the prevention of crime and disorder and public safety licensing objectives are not at risk of being undermined.

The TEN for 30<sup>th</sup> and 31<sup>st</sup> October 2021 provides minimum information and does not include any written provisions of additional measures that will be put in place to help reduce the risks around crime and disorder, drunkenness or vulnerability with the hours being applied for. Sussex Police are do not feel adequate provisions have been made or outlined to prevent the potential for disorder, increased risk of drunkenness/vulnerability or sufficiently promote public safety throughout the

duration of the event. We are not satisfied that the above licensing objectives will be promoted by allowing this TEN.

Therefore, the Chief Officer of Police contends that permitting these premises to be used in accordance with the notice is likely to undermine the licensing objectives of the prevention of crime and disorder as well as public safety. For these reasons, we ask that a Counter Notice is issued to all 3 TENs by the Licensing Authority Committee.

I confirm that a copy of this objection letter has been sent by email to the applicant and every other 'relevant person'.

Yours faithfully,

**Insp Michelle Palmer-Harris**
