Subject: Looking after our heritage

Date of meeting: 10 July 2025

Proposer: Councillor Sykes Seconder: Councillor Hill

Ward(s) affected: All

#### **Notice of Motion**

#### **Green Group Amendment**

That deletions are made as shown with strikethrough below and additional recommendations are added as shown in **bold italics** below:

This council notes:

- 1) Brighton & Hove is home to nationally significant cultural treasures, from Saxon churches to the Royal Pavilion;
- 2) Although there are 18 at-risk sites listed by Historic England across the city, many others, perhaps less well-known, were not included;
- 3) Patcham is in the Domesday book and is home to Brighton's oldest church, All Saints. However, it is also home to a 16<sup>th</sup> century dovecote surrounded by fencing; a rare 1930s clocktower with structural weakness; Patcham Place sports pavilion vandalized and closed down; and Patcham Peace Gardens with its neglected and dilapidated Doric Temple and gardens which the U3A work hard to maintain;
- 4) In addition there are council-owned heritage assets around the city which are subject to modification and damage by private companies, for example utility companies and this is often inadequately controlled;
- 4-5)-Tourists and residents note the poor state of the city's heritage which Brighton & Hove City Council is responsible for: the art deco bus shelters in Old Steine complete with smashed windows and graffiti; the shocking state of disrepair of the seafront shelters; City Downland Estate assets including the long neglected Long Barn at Stanmer
- 5 6) The significant reputational damage the council suffers when heritage treasured by residents and in full view of tourists is left to deteriorate;
- 6-7) That officers have recommended a review be completed of all council-owned heritage assets because the extent of the problem is widespread but also not fully known.

Therefore, resolves to:

 Request that the Place Overview & Scrutiny Committee considers a cross-party Task & Finish Group review is undertaken of all council-controlled heritage assets, addressing potential timelines for restoring, and maintaining and controlling access to our assets, to be undertaken by December 2025;

Date of meeting: 10 July 2025

Proposer: Councillor Shanks Seconder: Councillor McLeay

Ward(s) affected: All

#### **Notice of Motion**

#### This council notes:

- 1) That Woodingdean Primary School is undergoing a consultation on proposals to join the Eko Trust.
- 2) There is significant concern about the principle of academisation from staff, parents, carers and the community.
- 3) Woodingdean has two 'good' Ofsted rated maintained schools which deliver excellent educational outcomes for children.
- 4) The Eko Trust is in the process of a merger with another Multi Academy Trust feeding uncertainty into the process and future implications for the school.

#### This council resolves to:

- 1) Request that the Leader of the Council writes to the Co-Chair of governors at Woodingdean Primary to seek to extend the consultation period to the autumn, supporting parent's wishes.
- 2) Request officers to consider how best to ensure that Woodingdean school governors are fully aware and briefed on the school improvement work undertaken in recent years, and the totality of the LEA offer to schools prior to the next Full Governing Board meeting where feedback from the consultation is to be discussed.
- Request officers and Cabinet members to listen and respond to feedback from the school and to consider whether bespoke packages of support are available and committing to always innovate and evolve the LEA offer.
- 4) Request officers to consider how they can seek out schools considering academisation, and to present a robust case to them for remaining with the LEA.
- 5) Note the Administration's position to explicitly oppose new academisation proposals on principle.

6) Lobby the government to adopt our position on academies and bring back academies into local authority control, abolish funding for new academy and free schools and increase funding for all schools.
