## **RECORD OF ECONOMIC DEVELOPMENT & CULTURE COMMITTEE DECISION**

**SUBJECT:** STATEMENT OF COMMUNITY  
INVOLVEMENT 2015

**AUTHOR:** CARLY DOCKERILL

### **THE DECISION**

**RESOLVED** – That the Committee adopted the Statement of Community Involvement 2015 subject to minor editorial or grammatical changes to be agreed with the Director of Environment, Development and Housing.

### **REASON FOR THE DECISION**

To seek adoption of the new Statement of Community Involvement (SCI) to replace the currently adopted 2006 version. The SCI sets out the procedures and processes for consultation and engagement in the planning process.

### **DETAILS OF ANY ALTERNATIVE OPTIONS**

The preferred option and the recommendation of this report is to adopt the SCI 2015, to replace the SCI adopted in 2006.

The alternative option is to continue to use the SCI 2006. This is not recommended as the SCI 2006 is now out-of-date due to changes in the planning process and regulations. It is also an opportunity to introduce new methods of consultation due to the availability of new types of media. The document has been amended to be more concise and accessible. The new SCI, that is the subject of this report, addresses these issues and has now been through a formal public consultation period.

## **RECORD OF ECONOMIC DEVELOPMENT & CULTURE COMMITTEE DECISION**

**SUBJECT:** UNIVERSITY OF SUSSEX - LISTED  
BUILDING HERITAGE PARTNERSHIP  
AGREEMENT

**AUTHOR:** TIM JEFFERIES

### **THE DECISION**

**RESOLVED** – (1) That the Committee enters into a Listed Building Heritage Partnership Agreement with English Heritage and the University of Sussex for land at the University of Sussex under The Planning (Listed Buildings and Conservation Areas) (Heritage Partnership Agreements) (England) Regulations 2014; and

(2) That authority to sign the Listed Building Heritage Partnership Agreement be delegated to the Chief Executive and the Head of City Planning and Development.

### **REASON FOR THE DECISION**

To seek approval for the final Listed Building Heritage Partnership Agreement.

### **DETAILS OF ANY ALTERNATIVE OPTIONS**

The only alternative option would be to continue with the current arrangement whereby a non-statutory set of guidelines is in place and the University would have to continue to apply for individual Listed Building Consent to address issues as and when they arise in each case. The University currently makes several such application annually (for which no fee is payable to the Council) and the LBHPA would therefore be a more cost effective solution for both the Council and the University (and for English Heritage as a statutory consultee).
