Older People's Council – Our Mission and Vision

We are elected to serve older people. We work to ensure that all older people in Brighton & Hove are treated with respect and dignity and have access to services, support and the opportunity to lead a fulfilling life. We are working to create a city where: the contribution of all older people is acknowledged and valued; the needs of older people are recognised and met ; and older people are involved in making decisions that affect their daily lives and the communities in which they live.
