Brighton & Hove City Council Forward Plan September to October

The Forward Plan sets out decisions that the Cabinet, or an individual Cabinet Member intends to take over the following four months. The Plan is updated each month and republished and can be obtained from [Brighton & Hove City Council Forward Plan](#) or via e-mail at democratic.services@brighton-hove.gov.uk

The Council is required to publish notice of all key decisions at least 28 days before they are taken.

The Council's Constitution states that a key decision is one that involves:

- (a) *Expenditure which is, or the making of savings which are, significant having regard to the expenditure of the City Council's budget, namely above £1,000,000; or*
- (b) *Is significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions (wards).*

As a matter of good practice, the Council's Forward Plan includes other items in addition to key decisions that are to be considered by Cabinet. This additional information is provided to inform local residents of all matters to be considered.

Meetings of the Cabinet are open to the public (with the exception of discussion regarding reports which contain exempt/confidential information). The Cabinet agenda containing all the reports being considered will be published 5 clear days before the meeting. Copies of the agenda and reports for meetings are available on the Council's web site. For further details on the time of meetings and general information about the Plan please contact Anthony Soyinka, Head of Democratic Services at Hove Town Hall, Norton Road, Hove, BN3 3BQ, or telephone 01273 291006 or send an e-mail to anthony.soyinka@brighton-hove.gov.uk.

For further detailed information regarding specific issues to be considered please contact the named contact officer for the item concerned.

	This paper seeks Cabinet agreement to progress the King Alfred Regeneration project from its current concept design stage (Royal Institute of British Architects Plan of Work Stage 2 or RIBA 2) through to spatial coordination and technical design (RIBA stage 3 and 4) including submission of the planning application.			<p>Public engagement has been a key priority of the project since its inception in Autumn 2022, with four key phases having taken place so far:</p> <ul style="list-style-type: none"> • Phase 1, from September to December 2022: focused on core users of the King Alfred such as the leaseholders and sports clubs. • Phase 2, from January to December 2023: connecting with wider community groups and residents, including a visioning workshop with over 50 participants, and an all-day drop-in event. • Phase 3, Spring 2024. This phase aligned with

				<p>the work to examine possible sites for the new facility. This phase included all-day drop-in sessions at the King Alfred centre and other venues an on on-line questionnaire which generated over 3,600 responses.</p> <p>• Phase 4. From January 2025, this phase aligns with the work of the design team to develop the design proposals for the new facility. In addition to direct engagement with key users through the Reference Group, this phase included presenting to local groups such as the West Hove Seafront Action Group and the Hangleton & Knoll</p>
