06/11/26	Brunswick & Adelaide; Regency **Western Road Red Route Urgent Update** This report clarifies the position regarding picking up and dropping off passengers on the Western Road Red Route which is in line with the published Experimental traffic Regulation Order (ETRO) and requests a fresh decision to proceed with the ETRO	Open The decision is required before the ETRO otherwise comes into force on 9 November 2026. The matter cannot reasonably be deferred because delay would create operational uncertainty, traffic management and highway safety risks in relation to an important road for the City, which would be likely to seriously prejudice the interests of the public and Council.
