

**BRIGHTON & HOVE CITY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984**

**Brighton & Hove Prohibition of Driving Order 201*
(Ref TRO-8a-2016)**

**Brighton & Hove (Various Roads) (One Way) Traffic Order 2012 Amendment Order
No. * 201* (Ref TRO-8b-2016)**

STATEMENT OF REASONS

In East Street the Council is proposing to amend the Traffic Regulation Orders to allow the right to cycle through the pedestrianised area south of the junction with Steine Lane southwards to the junction with Bartholomews to make it consistent with current signage.

Right turns from Bartholomews into East Street for cyclists only are proposed to allow northbound cyclists to access North St and the A23 via the pedestrianised section of East Street without having to use the Aquarium roundabout

The Avenue is proposed to be designated shared use to allow eastbound cyclists to access the Old Steine from Bartholomews without having to use the Aquarium roundabout.

In Gloucester Road it is proposed to amend the Traffic Regulation Order to allow the right to cycle through the pedestrianised area between the junctions with Sydney and Tidy Streets to make it consistent with current signage.
