13 REPAIRS AND IMPROVEMENT UPDATE

- 13.1 The Business and Performance Manager, presented the update highlighting the overcharging of repairs contracts in the past. He noted that initially a report went to committee in January, Councillors asked for an update every 6 months through area panels. He also stated that the report highlighted the next steps, progress within partnerships and residents involved with the management group.
- 13.2 A Councillor and members of the panel made the following enquiries and expressed these concerns:

- If this was reduced to smaller number of types of sub-contractors including amount expenditure, will there be a chance of further reductions
- If anyone was to be charged for the whole issue
- If the Clerk of works inspects properties that sub-contractors currently work on

13.3 Officers answered the aforementioned concerns with the following:

- Any work that has been completed within 4 months will also undergo a performance review, there are also internal mechanisms in place to root out who else is employed as an extra measure
- Confirmed an incident was identified and that BHCC has had some discussions with police however as yet no one has been charged
- The overcharging was picked up by the Housing Team and will check with audit to recoup any losses
- The inspection is more robust than before. He also noted that if the job is complex then a Clerk of works will be assigned to it from the start.

13.4 **RESOLVED** - That the report be noted.

14 SOMERSET POINT SPRINKLER PROJECT

14.1 The panel considered a report that outlined a program to install a new sprinkler system at one of Brighton's high-rise block of flats.

14.2 Residents had the following enquiries:

- If the systems were flat specific
- If there is any scope to bring this system to all blocks

14.3 Officers responded with the following:

- The system only targets individual flats specifically and that each flat is covered independently
- Higher risk blocks will take priority first. He noted that this is only an addition and that all other residents in other blocks are safe.

14.4 **RESOLVED** – That the panel agreed to note the report.

15 NEW HOMES FOR NEIGHBOURHOODS UPDATE

15.1 **RESOLVED** - That the report be noted.
