

**WRITTEN QUESTIONS FROM MEMBERS OF THE PUBLIC**

A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public who either lives or works in the area of the authority.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public.

**(i) Ms. A Phillips**

“Brighton & Hove City Council’s Local Transport Plan (LTP) highlights the problems associated with the high levels of motor vehicles that we have in this city. These problems include noise, severance, congestion, dangerously poor air quality and of course road safety alongside communities generally dominated by traffic. It rightly sets ambitious targets for traffic reduction, improved air quality and significant modal shift from the private car to sustainable modes namely walking, cycling and public transport. With this in mind, I would ask that Brighton & Hove City Council’s Cabinet consider introducing a 20 mph speed limit across the city.”
