1. SUMMARY AND POLICY CONTEXT:

- 1.1 This report is to update Members on enforcement action taken against Hackney Carriage & Private Hire Drivers and Applicants between June 2018 and November 2018.

2. RECOMMENDATIONS:

- 2.1 That Members note the contents of this report and that officers should continue to take action as appropriate.

3. RELEVANT BACKGROUND INFORMATION/CHRONOLOGY OF KEY EVENTS:

- 3.1 Legislation in relation to the Town Police Clauses Act 1847 Local Government (Miscellaneous Provisions) Act 1976 which applies to both hackney carriages and private hire vehicles is enforced by the local authority. Non-criminal enforcement can also be effected by means of action taken against the licence held by the person who has transgressed such as warnings, suspensions or revocations.
- 3.2 Any driver must be a fit and proper person. It is not possible to give a precise definition of what this is, but at its heart is keeping passengers safe and free from risk. It is the responsibility of the applicant to satisfy the council that they are fit and proper and that they are safe and suitable to hold a licence.
- 3.3 The council can suspend, revoke or refuse a hackney carriage or private hire vehicles and/or driver licences. However, a driver licence cannot be suspended and then revoked at a later date such as at the conclusion of a prosecution. Other actions are available to officers such as verbal or written warnings which can be applied in line with the Councils [Licensing Enforcement Policy](#).
- 3.4 All cases are looked at on their own individual merit and if necessary such as in CSE cases multi agency meetings may be held to review available evidence. Legal

advice is sought where appropriate and all enforcement decisions are approved by the licensing manager/head of regulatory services. In addition, the most difficult matters would come to the Chair and to the two lead members for discussion. If a matter was really serious and required immediate suspension then officers would come to members as soon as possible after they had taken action.

- 3.5 In addition to day-to-day enforcement work, officers carryout weekly out-of-hours enforcement work, normally at weekends and weekday evenings. This includes monitoring of hot spot areas for over and illegal ranking and plying for hire, vehicle inspections and occasional test purchase operations. General enforcement is essentially checking the vehicle is safe to be on the road and that the drivers details are correct. The officers are trained in vehicle inspection and checks could include a number of things illustrated on the check list in Appendix A. Primarily, it involves checking the tyres, lights, steering, suspension, as well as the general condition of the vehicle, livery and that the meter is working correctly.
- 3.6 Officers have been monitoring various locations and events including Orbital, Little Mix, Pride & Boundary Festival as well as general enforcement checks on vehicles and their drivers at ranks. Officers have continued to work with neighbouring Local Authorities and have carried out a joint operation with Officers from Portsmouth although there were few Portsmouth vehicles in the City on the day. An officer also attended a regional operation at Gatwick Airport with the Police, Immigration Officers, Customs Officer and the DVSA.
- 3.7 For actions taken against drivers / applicants between June 2018 and November 2018. See Appendix B
