A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public.

**(i) Hove Museum and Art Gallery- Christopher Hawtree**

*“Would the Chair please tell us what steps he will be taking to ensure that the rooms on the ground floor of Hove Museum and Art Gallery are used to display paintings and drawings from the Reserve stock?”*

**(ii) Valley Gardens Phase 3- Julia Weeks**

*“Some Tourism Alliance members have publicly expressed their concern that the council's preferred option 1, in particular the removal of the Pier roundabout in conjunction with creating what is now five lanes of two way traffic all to the east of the Steine, will have a detrimental impact on tourism to the city. It's noted that the Chair of TDC did not raise any questions about this option at Environment, Transport & Sustainability committee. In order for me to share a balanced view with all Tourism Alliance members could the Chair now state his reasons for supporting this particular option?”*
