

**ENVIRONMENT, TRANSPORT & SUSTAINABILITY COMMITTEE
AGENDA ITEM 7(C)i**

Mr Geoff Raw
Chief Executive Office
Brighton and Hove City Council
Hove Town Hall
Norton Road

11th June 2019

Dear Geoff

VALLEY GARDENS

I am submitting the following letter under Council Procedure Rule 23.3 to be included on the agenda for the Environment, Transport & Sustainability Committee meeting of 25 June 2019.

I support the petition that is being submitted by the Valley Gardens Forum.

Most people in the Rottingdean Coastal ward know very little about the Valley Gardens plan as it has not been publicised in the area. However, those that do are very concerned about the impact it will have on our journeys into the city especially the removal of the roundabout on the seafront and a reworking of the road at the A259/Dukes Mound Junction.

I am also conscious that the majority of members of the Environment, Transport & Sustainability Committee will not have been directly involved in the project and would ask that a Members Briefing, open to all interested councillors, is arranged as soon as possible so that they can have a clear understanding of the issues and impact for residents, visitors and the environment of the plans for Valley Gardens.

Thank you for your help on this matter.

Yours sincerely

Cllr Bridget Fishleigh
