29th April 2018

Dear Dave,

Planned audit fee for 2019/20

The Local Audit and Accountability Act 2014 (the Act) provides the framework for local public audit. Public Sector Audit Appointments Ltd (PSAA) has been specified as an appointing person under the Act and the Local Authority (Appointing Person) Regulations 2015 and had the power to make auditor appointments for audits of opted-in local government bodies from 2018/19.

For opted-in bodies PSAA's responsibilities also include setting fees and monitoring the quality of auditors' work. Further information on PSAA and its responsibilities are available on the [PSAA website](#).

All grant work, including housing benefit certification, falls outside the PSAA contract, as PSAA no longer has the power to make appointments for assurance on grant claims and returns. Any assurance engagements will therefore be subject to separate engagements agreed between the grant-paying body, the Council and ourselves and separate fees agreed with the Council.

Scale fee

PSAA published the 2019/20 scale fees for opted-in bodies at the end of March 2019, following a consultation process. Individual scale fees have been maintained at the same level as in 2018/19, unless there were specific circumstances which required otherwise. Further details are set out on the [PSAA website](#). The Council's scale fee for 2019/20 has been set by PSAA at £122,084 which is the same as in 2018/19.

PSAA prescribes that 'scale fees are based on the expectation that audited bodies are able to provide the auditor with complete and materially accurate financial statements, with supporting working papers, within agreed timeframes'.

The audit planning process for 2019/20, including the risk assessment, will continue as the year progresses and fees will be reviewed and updated as necessary as our work progresses.

Scope of the audit fee

There are no changes to the overall work programme for audits of local government audited bodies for 2019/20. Under the provisions of the Local Audit and Accountability Act 2014, the National Audit Office (NAO) is responsible for publishing the statutory Code of Audit Practice and guidance for auditors. Audits of the accounts for 2019/20 will be undertaken under this Code. Further information on the NAO Code and guidance is available on the [NAO website](#).

The scale fee covers:

- our audit of your financial statements;

- our work to reach a conclusion on the economy, efficiency and effectiveness in your use of resources (the value for money conclusion); and
- our work on your whole of government accounts return (if applicable).

PSAA will agree fees for considering objections from the point at which auditors accept an objection as valid, or any special investigations, as a variation to the scale fee.

Value for Money conclusion

The Code requires us to consider whether the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is known as the Value for Money (VfM) conclusion.

The NAO issued its latest guidance for auditors on value for money work in November 2017. The guidance states that for local government bodies, auditors are required to give a conclusion on whether the Council has put proper arrangements in place.

The NAO guidance identifies one single criterion for auditors to evaluate:

In all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.
