The following written questions have been received from members of the public.

**(i) BH2017/02805 (Pavilion Tea House) Hove Park cafe- Gareth Hall**

“The ombudsman has ruled that whilst no planning rules were broken concerning this application it was proven that the applicant’s representatives collected objections and support at a public meeting for the application but did not upload any objections from the public despite committing in writing to doing so.

The residents of Brighton and Hove deserve better than this. The council need to put measures in place to ensure that this malpractice is never allowed to happen again.

What is the council going to do to ensure that the shoddy actions of the applicants’ representatives are not repeated in future?”
