

**NOTICE OF MOTION****NHS HEALTH AND SOCIAL CARE DECISION MAKING: DEMOCRATIC DEFICIT****GREEN GROUP PROPOSED ALTERATION TO THE MOTION**

That the motion be altered to delete the words as struck through and to insert the text as shown in ***bold italics***.

This council:

- Notes that the majority of the NHS England budget is allocated to Clinical Commissioning Groups (CCGs), not local authorities;
- Notes the outcome of the NHS Five Year Forward View, which seeks to give CCGs more influence over the NHS budget;
- Notes that currently, half of the voting members of this council's Health and Wellbeing Board are non-councillors; and
- Notes the opportunity to address this through the comprehensive Health & Wellbeing Board review.

This council requests that as part of the planned review into the Health & Wellbeing Board function, that:

- (1) The terms of reference of this Board are amended, to reflect options for providing greater democratic oversight of Health and Adult Social Care decisions; and

That this council ~~agrees through requests of a letter or other appropriate means to~~ that the Chief Executive ***write to the Prime Minister's Office:***

- (1) ~~Request~~ ***To ask*** that any future ***the newly elected*** government commits to adequately fund adult social care in line with need, ***and further;***
- (2) ***To ask that the pledge to work with all parties be upheld to develop a plan for Adult Social Care funding and provision, including through liaison and consultation with the Local Government Association.***

Proposed by: Cllr Shanks

Seconded by Cllr Nield

**Motion if carried to read:**

This council:

- Notes that the majority of the NHS England budget is allocated to Clinical Commissioning Groups (CCGs), not local authorities;
- Notes the outcome of the NHS Five Year Forward View, which seeks to give CCGs more influence over the NHS budget;
- Notes that currently, half of the voting members of this council's Health and Wellbeing Board are non-councillors; and
- Notes the opportunity to address this through the comprehensive Health & Wellbeing Board review.

This council requests that as part of the planned review into the Health & Wellbeing

Board function, that:

- (1) The terms of reference of this Board are amended, to reflect options for providing greater democratic oversight of Health and Adult Social Care decisions;

That this council requests that the Chief Executive write to the Prime Minister's Office:

- (1) To ask that the newly elected government commits to adequately fund adult social care in line with need, and further;
- (2) To ask that the pledge to work with all parties be upheld to develop a plan for Adult Social Care funding and provision, including through liaison and consultation with the Local Government Association.
