

27 February 2020

Brighton &amp; Hove City Council

**Procedural Note for Items 77 - 79 :****Setting a Lawful Budget for 2020/21****Introduction**

Under section 30 (6) of the Local Government Act 1992 the Council has a duty to set the Council tax before the 11 March 2020. A failure to set the tax then does not in itself invalidate the tax demands but it has other adverse consequences including the potential loss of income to the Council. In practical terms this means the Council needs to reach a final position to meet billing deadline requirements before the 2 March 2020.

The legal obligations for setting the budget mean in practical terms that:

- Members should not put forward proposals that would mean setting an unlawful budget and need to take officer advice in particular from legal and finance to ensure that their proposals are in order;
- Although the Council corporately sets the budget the Council acts through Members collectively, each and every Member is therefore jointly and severally responsible for the setting of the budget; and
- Wherever possible Members are expected to facilitate rather than frustrate the setting of a lawful budget.
- The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2014 impose an obligation on the Council to amend standing orders to require the vote of Members on the budget to be recorded. The votes on the amendments and the substantive budget will be conducted by electronic/recorded voting and the individual votes will be reflected in the minutes.

Please also note that the formal council tax resolution will incorporate the following recommendations:

That Council notes:

- 1) That for the avoidance of doubt, all amendments considered and approved by the Council represent resourcing decisions only. Where possible, the necessary lead-in time to undertake statutory and/or other appropriate consultation with staff and/or service users, together with appropriate one-off resources, has been identified in support of each amendment. However, even where this has not been possible this does not absolve the Council from undertaking statutory or other appropriate consultation before proposals can be implemented;
- 2) The Equalities Impact Assessments to cover all budget options and their cumulative effect as set out in Appendices 6 and 7;
