

## **Hackney Carriage & Private Hire Licence Condition Proposals.**

### **Cashless Payment Facilities**

Following a recent request by the Independent Drivers Brighton & Hove (IDBH) at the last Taxi Forum, the Taxi Licensing Team wish to consult the Trade on a proposal to make all Hackney Carriage and Private Hire Vehicles have a functioning cashless payment facility available for passengers.

With the growth of cashless payments and the UK having the highest revenue in cashless payments in the European Union, and most of the population not carrying cash, it is reasonable to ensure that hackney carriage and private hire vehicles have facilities to offer cashless payments if required by the passenger.

Proprietors may also have a receipt printing facility should they wish to do so.

*If you have any comments on the proposal please reply to this email or send your comments to the Hackney Carriage Office, Hove Town Hall, Norton Road, Hove, BN3 3BQ by the 30th November 2019.*
