

COVID-19 CITY RECOVERY PROGRAMME: PROGRESS UPDATE

GREEN AMENDMENT

That an additional recommendation 2.4 is included as shown in ***bold italics*** below:

2.4 That further to the work of the council's internal Ways of Working cell, that this sub-committee agrees to commission a report, in consultation with staff fora and Trade Unions, detailing options for recognising and rewarding all council staff for their efforts during Covid-19 pandemic

Proposed by: Cllr Mac Cafferty

Seconded by: Cllr Gibson

Recommendation if carried to read:

- 2.1 That the sub-committee note this progress update report.
- 2.2 That the sub-committee gives delegated authority to the Executive Director Economy, Environment & Culture to procure and award a contract for the deployment of city marshalls to support the management of safe space on the seafront and in our retail high streets.
- 2.3 That the sub-committee requests that officers bring a report to the September Sub-Committee on the impact of Covid-19 upon disadvantaged communities along with proposals for supporting community recovery, including consideration of the equalities implications of the recovery planning process
- 2.4 That further to the work of the council's internal Ways of Working cell, that this sub-committee agrees to commission a report, in consultation with staff fora and Trade Unions, detailing options for recognising and rewarding all council staff for their efforts during Covid-19 pandemic
