

Cllr. David Gibson
BH2020/01366 – 71 Albion Hill

26th May 2020:

I object to the conversion of 71 Albion Hill into a small HMO. In the interests of balanced communities I imagine this will be rejected since the number of HMOs with 50 metres exceeds the planning threshold. If it is recommended for approval I should like it to be considered by planning committee.
