Key Considerations in the Application

- Principle of the development
- Design and Heritage Impacts
- Impact on Neighbouring Amenity
- Impact on Trees
- Transport Impacts
- Sustainability Issues

Conclusion and Planning Balance

- Considered that proposal fails to preserve appearance and character of conservation area;
- Existing house contributes very positively to the appearance and character of the conservation area so loss is not considered acceptable;
- Impact on trees and landscape considered acceptable;
- Standard of accommodation considered acceptable;
- Considered that proposal would not adversely affect amenity, the transport network, or sustainability.

Therefore : Recommend Refusal
