Several statutory undertakers participated in this consultation, self-identifying as "Other" and "A local stakeholder". The following statutory undertakers completed the consultation:

- The Royal Mail Group Ltd
- UK Power Networks
- Sothern Water
- Network Rail

Free text comments on proposed approach to Statutory Undertakers

Common themes found:

- Too much time before action
- Happy with proposed approach
- The cost to the council is a concern
- Not enough time before action
- Police assistance is required to tackle graffiti
- Penalties should focus on perpetrators not victims of crime
- Proposal lacks sufficient preventative measures
- A safe space for graffiti would reduce private property being targeted
- The decision is up to the property owner
- A definition of graffiti is required for this framework
- Council needs to get its own house in order
- Graffiti is not a problem
- Community Protection Notices should not be used
- · Worries of the cost being transferred to statutory undertaker customers

Question 7 – "To what extent do you agree or disagree with the proposed approach for large businesses consisting of more than 250 employees?"

This question had a total of 1,017 responses

	Strongly agree	Tend to agree	Neither agree nor disagree	Tend to disagree	Strongly disagree	Don't know/ not sure

Question 8 – Free text comments on proposed approach to large businesses

Common themes found:

- Too much time before action
- The cost to the council in a concern
- Not enough time before action
- Need to consider charities
- Police assistance is required to tackle graffiti
- Penalties should focus on perpetrators not victims of crime
- Proposal lacks sufficient preventative measures
- A safe space for graffiti would reduce private property being targeted
- Graffiti removal should be free to everyone by the council
- Cost to the business is a concern
- The decision is up to the property owner

- A definition of graffiti is required for this framework
- · Council needs to get its own house in order
- · Graffiti is not a problem

Question 9 – "To what extent do you agree or disagree with the proposed approach for small to medium sized businesses?"

This question had a total of 1,016 responses

	Strongly agree	Tend to agree	Neither agree nor disagree	Tend to disagree	Strongly disagree	Don't know/ not sure

Question 10 – Free text comments on proposed approach to small to medium businesses

Common themes found:

- Too much time before action
- The cost to the council in a concern
- Not enough time before action
- Police assistance is required to tackle graffiti
- Penalties should focus on perpetrators not victims of crime
- Proposal lacks sufficient preventative measures
- A safe space for graffiti would reduce private property being targeted
- The decision is up to the property owner
- Graffiti removal should be free to everyone by the council
- Cost to the business is a concern
- The decision is up to the property owner
- A definition of graffiti is required for this framework
- Council needs to get its own house in order
- Small to medium sized businesses should not have to pay
- Geographically unfair as some businesses will get vandalised more than others

Question 11 – "To what extent do you agree or disagree with the proposed approach for homeowners?"

This question had a total of 1,017 responses

	Strongly agree	Tend to agree	Neither agree nor disagree	Tend to disagree	Strongly disagree	Don't know/ not sure

Question 12 – Free text comments on proposed approach homeowners

Common themes found:

- Removal by homeowner may not be possible
- Cost to homeowner is a concern
- Graffiti removal should be included within council tax
- Too much time before action
- The cost to the council in a concern
- Not enough time before action
- Police assistance is required to tackle graffiti
- Penalties should focus on perpetrators not victims of crime
- Proposal lacks sufficient preventative measures
- A safe space for graffiti would reduce private property being targeted
- The decision is up to the property owner
- Graffiti removal should be free to everyone by the council
- Cost to the business is a concern
- The decision is up to the property owner
- A definition of graffiti is required for this framework
- Council needs to get its own house in order
- Geographically unfair as some homes will get vandalised more than others

Question 13 – "To what extent do you agree or disagree that the council should set up a chargeable graffiti removal service for property owners to access across the city?"

This question had a total of 1,013 responses

	Strongly	Tend to	Neither agree	Tend to	Strongly	Don't know/
	agree	agree	nor disagree	disagree	disagree	not sure

Question 14 – Free text comments on proposed chargeable graffiti removal service

Common themes found:

- If the service is not compulsory to use
- Commercial service should operate on a minimal cost
- Commercial service should operate on a sliding scale of costs
- Culprits should remove graffiti rather than victims paying for removal
- Low income households/ businesses may still struggle to access the service
- Council needs to get its own house in order
- Commercial service should be free to residents
- The quality of removal by the commercial service is a concern
- Commercial service should be contracted out to an external contractor, rather than being ran by City Clean
- Graffiti removal should be provided for free by the council
- Commercial service should not operate on a sliding scale of costs
- A commercial service will not suffice without any preventative measures

Question 15 – "To what extent do you agree or disagree that the proposed charges should differ depending on whether it is a statutory undertaker, large business, small to medium sized business or homeowner?"

This question had a total of **1,010** responses

	Strongly agree	Tend to agree	Neither agree nor disagree	Tend to disagree	Strongly disagree	Don't know/ not sure

Question 16 – Free text comments on proposed differing charges for statutory undertakers, large businesses, small to medium sized businesses or homeowners

Common themes found:

- Graffiti removal should be included within council tax
- Commercial service should be free to residents
- Commercial service should not operate on a sliding scale of costs
- Commercial service should be free for homeowners and small to medium businesses
- Commercial service should be means tested to determine the price
- No commercial service needed
- Low income households/ businesses may still struggle to access the service
- Need to consider charities
- Geographically unfair, as properties in hot spot areas will need to use the service more than others
- Commercial service should be cost neutral

Further information and mitigating actions in relation to the free text comments are:

The proposed approach is based on the legal parameters of the legislation and feedback from Legal Services. An additional step of sending a reminder letter to small and medium sized enterprises has been incorporated as a supportive approach in getting graffiti removed. Police assistance is required to tackle graffiti memoved. Police assistance is required to tackle graffiti removed. Police assistance is required to graffiti vandalism and to ensure consistency between investigations. Joint patrols and communications will be actioned to deliver the Caraffiti Reduction Strategy.
