Re: SoLP 5 year review

The Kingscliffe Society wish to make the follow comments to the SoLP 5 year review. Would you please bounce this on to the full Licensing Statutory Committee and members, for their comments also.

In the light of the virus and the fact that a vaccine may well not be available until after October 2021 and possible later for those attending night clubs, these premises will be only used as drinking dens and possible go out of business with the now 10pm closing time. It is now an ideal time for government to review licensing laws on these facilities.

We therefore require this to be dealt with by the government 2021 licensing review,

Deliveries and waste away to all licensed premises.

Deliveries to inclusive of waste away of bottles, barrels, glass, rubbish & refuse and kitchen waste etc permitted times between 900 hours and 1900 hours Monday to Friday 1000 hours to 1800 hours Saturday, Sunday and Bank Holidays.

Reasons: That these deliveries and rubbish removals are happening from 5am following the 4am closing of late night licensing premises with the resultant follow on noise and disturbance plus violence, vandalism, defecation, urination and vomit over our properties notwithstanding that after all this abuse in our very narrow residential side streets the on street rubbish bins are emptied at 5.30am. There is no rest from all of this and children have to attend school , residents have to go work let alone those informed who require a good nights sleep much like the many long term senior citizens of the area.

The late night noise control team needs to be reinstated to protect residents and their well-being.

The WHO has carried out research into the affect these late night disturbances have
