

LABOUR GROUP AMENDMENT

SELF-MANAGED SPORTS FACILITIES IN PARKS AND RECREATION GROUNDS

To add recommendations 2.3 and 2.4 as shown in ***bold italics*** below:

That Environment Transport and Sustainability Committee:

- 2.1 Notes the progress made in transferring outdoor sports facilities to sports clubs and community organisations.
- 2.2 Recommends that Policy and Resources Committee approves the additional criteria which are to be considered in determining the transfer of outdoor sports facilities in parks to community organisations as set out in appendix 2 and that they are added to the CATP as an appendix.
- 2.3 Recommends that Policy and Resources Committee approves a further condition of transfer which will allow the use of the facilities by local residents on low incomes at a reduced rate.***
- 2.4 Recommends that Policy and Resources Committee approves that consultation with the community and its representatives takes place before any lease or license is granted.***

Proposed by: Cllr Appich

Seconded by: Cllr Fowler

Recommendations if carried to read:

That Environment Transport and Sustainability Committee:

- 2.1 Notes the progress made in transferring outdoor sports facilities to sports clubs and community organisations.
- 2.2 Recommends that Policy and Resources Committee approves the additional criteria which are to be considered in determining the transfer of outdoor sports facilities in parks to community organisations as set out in appendix 2 and that they are added to the CATP as an appendix.
- 2.3 Recommends that Policy and Resources Committee approves a further condition of transfer which will allow the use of the facilities by local residents on low incomes at a reduced rate.
- 2.4 Recommends that Policy and Resources Committee approves that consultation with the community and its representatives takes place before any lease or license is granted.
