Split of uses/Number of units

- 72 residential units (C3)
- Housing mix
 - 4 x 1 bed units
 - 16 x 2 bed units
 - 29 x 3 bed units
 - 23 x 4 bed units
- 40% affordable housing (4 x 1 bed, 7 x 2 bed & 18 x 3 bed)

Conclusions

- Intermediate rent: applicant has confirmed that rent would be at no more than 80% of open market rent; no option to purchase homes;
- Provision of 'intermediate rent' instead of shared ownership units accords with Housing Strategy team's objective for affordable housing tenure split;
- No change to amount of affordable housing provided (40% of units).
- **Approval of amendment recommended.**
