

A photograph of the exterior of Shelter Hall at dusk. The building is a multi-story structure with a prominent octagonal upper section. The ground floor is constructed of red brick with large arched windows. The upper octagonal section has a balcony with a teal-colored metal railing and a wooden handrail. The sky is a deep blue with some clouds. In the foreground, there is an outdoor seating area with several large black umbrellas and people sitting at tables. A small white box with the number 47 is visible on the left side of the image.

SHELTER HALL VISION

- Shelter Hall is an ethically-driven, immersive Food Market concept which brings together the best of the city under one roof.
- Our Food Market is a microcosm of the local community, epitomising the ethos and vibrancy of Brighton. Creating a cultural heartbeat of Brighton society on the Seafront.
- We are the **local, ethical and independent** choice that champions sustainable regeneration and taste.

SHELTER HALL ENVIRONMENT

Shelter Hall is designed by We Like Today in the spirit of Brighton, its community and what they feel. As a historic building we will celebrate the famed architecture of Brighton, echo it in the design and respect the integrity of its history by naming the market 'Shelter Hall'

BEAUTIFUL | SUSTAINABLE | LOCAL | EXPERIENTIAL | RESPECTFUL

This is not a brand, it's a historic and iconic building that needs to house a diversity of communities that celebrate the city it lives in and worships the environment it is blessed with.

Shelter Hall is a seafront destination where guests can spend an entire day, rather than a location to grab a quick bite offering an open beach front market hall and terrace, sea view balcony and market overlooking mezzanine and private hire room with round window view.

SHELTER HALL MAKERS MARKET

Shelter Hall will promote local artisans with a monthly makers market and online retail offering

We aim to support local businesses and add another layer to the Shelter Hall user experience, reinforcing the brand as Brighton-centric, thoughtful and values-driven.

In addition to sourcing food, drink and art products from local producers, we will also work with our chef partners to develop a retail offering and implement the fulfilment and delivery framework.

CRAFT | LOCAL | EMERGING TALENT

The online market will encourage local consumers to support the community of Brighton producers, but will also allow visitors from other parts of the country to continue to enjoy the best of Brighton from their homes.

SHELTER HALL SUSTAINABILITY

ENVIRONMENTAL | RESPONSIBLE | REUSABLE

 **We are committed to supporting local sustainability initiatives.**

All vendors are encouraged to source ingredients from Sussex producers where possible. Our flooring is made from 98% recycled materials and during our Shelter Hall Raw summer pop-up we used vegware packaging. In the future, we will be using melanime plates and cutlery, eliminating single-use packaging.

Shelter Hall is serving as a case study for Circular Brighton & Hove (CBH) – a network supporting the transition to a circular economy in the greater Brighton region.
