

Brighton & Hove

CONSULTATION DOCUMENT

PROPOSED EXPANSION OF QUEENS PARK PRIMARY SCHOOL TO TWO FORMS OF ENTRY FROM SEPTEMBER 2011

- inviting you to have your say -

Why are we consulting you?

This document is published by Brighton and Hove City Council and is intended as a basis for consultation with governors, staff, pupils, parents and other interested groups about a proposal to expand Queens Park Primary School to two forms of entry.

This document sets out the reasons for the proposal, identifies the issues for consideration and explains the arrangements for consultation. At the end you will find details of a public meeting to which you are invited and a reply slip for you to let us know what you think. There is also some information about what happens after consultation.

Some background facts

Brighton and Hove City Council has a legal requirement to provide sufficient school places for all school age children in the city. School places should be provided in such a way that parents and pupils can access a local school wherever possible.

The current position

Queens Park Primary school is a successful and popular school. It caters for children primarily living in the BN2.... postcode areas of the city.

Over the last few years there has been year on year growth in the number of pre-school age children registered with General Practice (GP) Surgeries in the city. This increase seems particularly acute in the area of the city served by Queens Park Primary School. It is anticipated that this situation is going to continue.

It is recognised that not all of these children will enter the maintained education sector, some will opt to attend church schools or private school, it is also recognised that parents of pre school age children tend to be most geographically mobile in the first four years of a child's life. However even

taking these figures into account the increase in the number of pre school age children in this part of the city is significant.

The Council has a statutory duty to provide a maintained school place for any child that wants one. We are committed to working with schools to make them centres for community learning, and supporting them in meeting the wider needs of the community by engaging social services, health, the police, and the voluntary sector. For this to be successful it is important that children can access a primary school that is local to their home.

What is proposed?

The proposal is to expand Queens Park Primary school to a two form entry school with a yearly intake of 60, an increase of 15 places per year.

To support the expansion of the school there will be an extension of the school premises that will be funded by a combination of the Primary Capital Programme funding, the schools Devolved Formula Capital and other council capital funding. This extension will provide additional classrooms to accommodate the extra pupils. There will also be some internal remodelling and refurbishment to provide accommodation that will better fit the needs of current teaching and learning and the delivery of a broad and balanced curriculum.

What might be the advantages of expanding the school to four forms of entry?

Expanding the school by half a form of entry (an additional 15 places each year) will ensure that more families can access their local school. This means that children will be able to attend school with friends that they have made prior to starting school, parent will not have to travel long distances to deliver their children to school and extended services offered by the school can be tailored to meet the needs of the whole community.

Views of the Governing Body

The governing body of Queens Park Primary School has been consulted prior to taking the decision to hold a public consultation. The initial view of the governing body was that in principle they support the permanent proposed expansion of the school by half a form of entry from September 2011. The views of the governing bodies will be finalised in light of the consultation results.

Consultation arrangements

If, having read this document, you would like to comment on the proposals, there are several opportunities for doing so:

- You should complete and return (either to the school or Kings House) the reply slip included in this document.

- You can send a letter to the Schools Futures Project Director, Kings House, Grand Avenue, Hove BN23 2SU. *Please mark your letter for the attention of Gil Sweetenham*
- You are welcome to attend the **Public Meeting** which has been arranged for:

Date: XX February 2010

Time: 7pm

Venue: Queens Park Primary School

- At this meeting parents and others will have the opportunity to put forward their views. Officers from the Children and Young Peoples Trust will be present to clarify points of detail.

The next stage

All of the views put forward during the consultation stage will be reported to the Cabinet Member for Children and Young People. This will allow an informed decision to be made regarding progression to the next stage in the process.

If it is decided to move ahead with the proposal the next stage is the issuing of a Statutory Notice detailing the proposal. The notice will be in force for a period of six weeks during which time objections to and comments on the proposal may be made by any person or group. Details of how to make an objection or comment will be incorporated within the Statutory Notice.

The Council is empowered to make the decision on whether to implement the proposal contained in the Statutory Notice but in doing so has to take account of guidance issued by the Department of Children Schools and Families. Any comments or objections have to be considered as part of the decision making process. The Final decision regarding this proposed change will be made by the Cabinet Member for Children and Young People.

The proposals set out in this document are put forward as a basis for consultation only. It is stressed that ***no decisions have yet been made*** and that none will be made until consultations have been completed and all views carefully considered by Brighton and Hove City Council.

The Children and Young Peoples Trust major objective is to ensure the outcome of this consultation has local support and is in the best interests of pupils in Brighton and Hove.

DO PLEASE LET US KNOW YOUR VIEWS
