

## Public Consultations – Appendix C

- 1.1 A proposed schedule of public consultation events has been put forward incorporating a range of public meetings and a consultation response form hosted on the council's [online portal](#).
- 1.2 It is proposed that the consultation would start on 15 November and close on 2 January 2022. Allowing a 7-week consultation period. A report will then come back to the Children Young People & Skills committee on 10 January 2022 with a summary of the responses received and a recommendation as to the next steps to take.
- 1.3 It is proposed that information events will be held during the period of consultation so that the proposals can be explained and any questions answered. In addition, the events will be an opportunity to receive comments from the public.
- 1.4 At the time of writing the report it proposed that of the two events scheduled for each school, one will be held in person and one will be held online via Microsoft Teams.
- 1.5 It is anticipated that events either specifically for a school proposal or more broadly in relation to the proposals, as a whole, will be held on the following days at the times stated in the table below. These will be an opportunity for the proposal to be discussed in more detail, answer any questions that people may have and allow for comments about the proposal to be captured.
