

**LABOUR GROUP AMENDMENT**

**Allotments**

That changes are made as shown in ***bold italics*** and strikethrough below.

- |     |   |
|-----|---|
| 2.1 | That Environment, Transport & Sustainability note the response to the Notice of Motion.   |
| 2.2 | <b><i>That the Committee calls for officers to meet with Brighton &amp; Hove Allotment Federation (BHAF) to address the concerns they have raised and to review the BHAF's outline business case.</i></b>   |
| 2.3 | <b><i>That the Committee calls for a further report that includes the findings of BHAF's business case with particular attention to the health and wellbeing, cost benefits, sustainability and the delivery of the Council's vision outlined in the corporate plan, with the scope of the report agreed with BHAF before work commences.</i></b>                           |
| 2.4 | <b><i>That the Committee calls for officers to examine the potential use of land either side of Tenantry Down Road near the junction of Bear Road for allotments; potentially delivering another 10 full or 20 half size plots; and reports back on these together with the sites at West Hove and Rottingdean that were previously proposed for use as allotments.</i></b> |

Proposed by: Cllr Platts

Seconded by: Cllr Fowler

**Recommendations to read if carried:**
