### 1. SUMMARY AND POLICY CONTEXT:

- 1.1 This report was requested by Members to update Members on enforcement action taken against Hackney Carriage & Private Hire Drivers and Applicants between June 2022 and September 2022.

### 2. RECOMMENDATIONS:

- 2.1 That Members note the contents of this report and that officers should continue to act as appropriate.

### 3. RELEVANT BACKGROUND INFORMATION/CHRONOLOGY OF KEY EVENTS:

- 3.1 Legislation in relation to the Town Police Clauses Act 1847 Local Government (Miscellaneous Provisions) Act 1976 which applies to both hackney carriages and private hire vehicles is enforced by the local authority. Non-criminal enforcement can also be affected by means of action taken against the licence held by the person who has transgressed such as warnings, suspensions, or revocations.
- 3.2 Any driver must be a fit and proper person. It is not possible to give a precise definition of what this is, but at its heart is keeping passengers safe and free from risk. It is the responsibility of the applicant to satisfy the council that they are fit and proper and that they are safe and suitable to hold a licence.

- 3.3 The council can suspend, revoke, or refuse a hackney carriage or private hire vehicles and/or driver licences. However, a driver licence cannot be suspended and then revoked at a later date such as at the conclusion of a prosecution. Other actions are available to officers such as verbal or written warnings which can be applied in line with the Councils [Licensing Enforcement Policy](#).
- 3.4 All cases are looked at on their own individual merit and if necessary, such as in CSE cases multi agency meetings may be held to review available evidence. When acting against a licence, decisions are investigated by officers and a recommendation is made to a manager who makes the decision in consultation with a lawyer. In addition, the most difficult matters would come to the Chair and to the two lead members for discussion. If a matter was serious and required immediate suspension, then officers would come to members as soon as possible after they had acted.
- 3.5 In addition to day-to-day enforcement work, officers normally carryout weekly out of hours enforcement work, normally at weekends and weekday evenings. This includes monitoring of hot spot areas for over and illegal ranking and plying for hire, vehicle inspections and occasional test purchase operations. General enforcement is essentially checking the vehicle is safe to be on the road and that the driver's details are correct. The officers are trained in vehicle inspection and checks could include several things illustrated on the check list in Appendix A. Primarily, it involves checking the tyres, lights, steering, suspension, as well as the general condition of the vehicle, livery and that the meter is working correctly.
- 3.6 A multi-agency operation took place on the 20<sup>th</sup> June 2022, with officers from Sussex Police and Lewis District Council. 23 vehicles were checked, 9 of these vehicles were licenced with Chichester and Lewes District Council. 2 vehicles licenced by Brighton and Hove and 4 licenced by Lewes had enforcement actions taken, 1 Chichester driver received a Fixed Penalty and 3 points for bald tyre.
- 3.7 A mystery shopper exercise took place on the 2/7/2022, one Lewes driver is under investigation for plying for hire and a Lewes operator linked to this is also being investigated for operating outside the district.
- 3.8 Joint operation with Sussex Police took place, during this a Chichester licence vehicle was stopped for turning right against a no right turn on to the Kings Road. Vehicle was stopped who had two passengers in the rear, driver did not have his drivers badge and on further investigation was found not to be licenced. Vehicle was seized by police due to driver having no insurance and joint investigation is ongoing in relation to licencing offences.
- 3.9 A multi-agency operation took place on the 28<sup>th</sup> September 2022, with officers from Sussex Police, DVSA, Lewes and Chichester District Council. 45 vehicles were checked, 35 of these vehicles were licenced with Brighton and Hove, 3 Chichester, 5 Lewes, 1 Mid Sussex and 1 Havant. 13 vehicles had

enforcement action taken, 9 licenced by BHCC, 3 with Chichester and 1 with Lewes.
