1. PURPOSE OF REPORT AND POLICY CONTEXT

- 1.1 To determine an application for a New Premises Licence under the Licensing Act 2003 for Small Batch Coffee Company.

2. RECOMMENDATIONS:

- 2.1 That the Panel determine an application for a New Premises Licence under the Licensing Act 2003 for Small Batch Coffee Company.

3. CONTEXT/BACKGROUND INFORMATION & CONSULTATION

- 3.1 The application is for a New Premises Licence under the Licensing Act 2003. The application proposes Coffee shop/restaurant with internal and external seating providing the sale by retail on the premises to customers.
- 3.2.1 Section 18 (operating schedule) is detailed at Appendix A and the plan of the premises is attached at Appendix B
- 3.2 Summary table of proposed activities

	Proposed
Supply of Alcohol	Every day 12:00 – 22:00 On the Premises
Hours premises are open to public	Every day 07:30 – 22:00

- 3.3** Special Stress Area: The premises falls within the Special Stress Area. This area is deemed an area of special concern in terms of the levels of crime, disorder, and public nuisance experienced within them. (See paragraphs 3.2 – 3.2.5)

Representations received

- 3.4** Details of the representations made are notified to applicants on receipt by the Licensing Authority using a pro-forma. A summary appears below:
- 3.5** 1 representation was received. It was received from a local business
- 3.6** Representation received had concerns relating to Prevention of Crime and Disorder, Public Safety and Prevention of Public Nuisance.
- 3.7** An agreement was reached between the applicant and Sussex Police, details of which can be found at Appendix C. Full details of the representations are attached to Appendix D. A map detailing the location of the premises is attached at Appendix E.

4. COMMENTARY ON THE LICENSING POLICY

- 4.1** The following extracts from Brighton & Hove City Council Statement of Licensing Policy are considered relevant to this application and **are numbered as they appear in the policy**:

1 Introduction

1.1 This Statement of Licensing Policy has been prepared in accordance with the provisions of the Licensing Act 2003 (the Act) and having regard to Guidance issued by the Home Office under Section 182 of the act. This policy takes effect from the 4th February 2021. The licensing authority is Brighton & Hove City Council. The purpose of this statement is to promote the licensing objectives and set out a general approach to making licensing decisions. The discretion of the licensing authority in relation to applications under the act is only engaged if 'relevant representations' are made by other persons or responsible authorities. This policy will inform the approach to be taken when deciding applications and imposing conditions when relevant representations are received. It is also intended as a guide for applicants as to what to include in their operating schedules, always recognising that if no representations are received, the application must be granted. The licensing authority must carry out its functions with a view to promoting the licensing objectives and this policy is framed around those objectives. Each application will be given individual consideration on its merit. The scope of this policy covers the following:

- Retail sales of alcohol.
- The supply of alcohol by or on behalf of a club, or to the order of, a member of the club.
- The provision of regulated entertainment.
- The provision of late night refreshment.

1.2 The licensing objectives are:

- (a) the prevention of crime and disorder.
- (b) public safety.
- (c) the prevention of public nuisance; and
- (d) the protection of children from harm.

1.3 Scope

1.3.1 Licensing is about regulating licensable activities on licensed premises, by qualifying clubs and at temporary events. Any conditions attached to various authorisations will be focused on matters which are within the control of individual licensees and others with relevant authorisations, i.e. the premises and its vicinity. Each application will be given individual consideration on its merit. Nothing in this policy shall undermine the right of any individual to apply under the terms of the act for a variety of permissions and to have any such application considered on its individual merits. Similarly, nothing in this policy shall override the right of any person to make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the act.

3 Special Policies and Initiatives

3.1 Special Stress Area

3.2.1 The map below details the area of the city centre which borders the Cumulative Impact zone at 3.1.3 and which is deemed an area of special concern in terms of the levels of crime and disorder and public nuisance experienced within it. The area recommended for further monitoring and detailed guidance within the Special Policy comprise the following as pictured below delineated in purple:

The Special Stress Area - an area bounded by and including: The west side of Hove Street/Sackville Road, northwards to the intersection with the north side of Blatchington Road, along north side of Blatchington Road and Eaton Road, southwards at the junction onto the east side of Palmeira Avenue and then eastwards at the junction onto the north side of Landsdowne Road; eastwards to the junction with Furze Hill, along the north side Furze Hill to its end and then due east along the north side of Victoria Road to its junction with Montpelier Road (west side), north to where Montpelier Road joins Vernon Terrace then north to Seven Dials; north west along the west side of Dyke Road until the junction with the Old Shoreham Road, then East along the north side of Old Shoreham Road, continuing on the north end of New England Road, north west at Preston Circus at the junction of New England Road and Preston Road along the west side of Preston Road until the junction with Stanford Avenue then and north east along the north side of Stanford Avenue until the junction with Beaconsfield Road, south along the east side of Beaconsfield Road until the junction at Preston Circus and Viaduct Road, eastwards along the north side of Viaduct Road, then at the junction with Ditchling Road, North East along the north side of Upper Lewes Road until the junction with Lewes Road; south along the Lewes Road to junction with Hartington Road, along the north side of Hartington Road until the junction with St. Helen's Road, south into the north side of May Road, eastwards until its junction with Freshfield Road (east side), then south into Upper Bedford Street, into Bedford Street to the mean water mark south of Bedford Street, then due west until the mean water mark south of Lower Rock Gardens; North on Upper Rock gardens, to the north side of Eastern Road, west along Eastern Road and Edward Street until Grand Parade, north along the Eastern side of Grand Parade to the junction of York Place and Trafalgar Street, West along the Northern boundary of Trafalgar Street, up to and including Surrey Street and then South along the Western boundary of Queens Road to the junction with Air Street, West along the north side of Air Street, South-west to the junction of Western Road Brighton, then West along the North side of Western Road Brighton, South along the West side of Holland Road to the mean water mark south of Kingsway and Kingsway Esplanade as far as the west side of Hove Street/ Sackville Road.

3.2.2 This Special Stress Area (SSA) is of concern to the licensing authority because of the relatively high levels of crime and disorder and nuisance experienced within it. The area will be kept under review.

3.2.3 New and varied applications for premises and club premises certificates within the SSA will not be subject to the presumption of refusal, but operators will be expected to pay special attention when drawing up their operating schedules and to make positive proposals to ensure that their operation will not add to the problems faced in these areas. Appendix A of the SoLP sets out a list of potential measures the licensing authority considers may be appropriate. These may be more or less appropriate depending upon the style of operation applied for.

3.2.4 On receipt of any application in the SSA, where a relevant representation has been made, the licensing authority will scrutinise the application carefully and will look at the measures proposed in the operating schedules and compare them to the measures set out in Appendix A, Licensing Best Practice Measures. Where discretion has been engaged, those applications which fall short may be refused or conditions applied to comply with policy measures.

3.2.5 The Licensing Authority will keep the Cumulative Impact Zone and Special Stress Area under review. Should the authority find that problems of crime and disorder or nuisance are not improving, or are worsening, the Special Policy will be reviewed.

3.3 The Matrix Approach

The Licensing Authority will support:

3.3.1 Diversity of premises: ensures that there is a mix of the different types of licensed premises and attracts a more diverse range of customers from different age groups, different communities and with different attitudes to alcohol consumption. It gives potential for positively changing the ambience of the city or an area of it. This will have a positive effect in reducing people's fear of crime and in increasing the number of evening visitors to the city centre. The Community Safety Strategy recognises that too many single uses in a confined area and patrons turning out onto the streets at the same time may create opportunities for violent crime and public disorder and therefore supports mixed use venues encouraging a wider age balance.

3.3.2 A "matrix" approach to licensing decisions has been adopted and is set out below. It provides a framework of what the licensing authority would like to see within its area and gives an indication of the likelihood of success or otherwise to investor and businesses making applications.

Matrix approach for licensing decisions in a Statement of Licensing Policy (times relates to licensable activities)

	Cumulative Impact Area	Special Stress Area	Other Areas
Restaurant	Yes (midnight)	Yes (midnight)	Yes (midnight)
Café	Yes (10 pm)	Yes (10 pm)	Yes (10 pm)
Late Night Takeaways	No	Yes (midnight)	Yes (midnight)
Night Club	No	No	No
Pub	No	Yes (11pm)	Yes (midnight)
Non-alcohol lead (e.g. Theatre)	Yes (favourable)	Yes (favourable)	Yes (favourable)
Off-licence	No	No	Yes (Up to 11pm but if in densely residential area may be earlier – see note 7 below)
Members Club (club premises certificate)	Yes (<100 capacity) (11pm)	Yes (<100 capacity) (11pm)	Yes

Notes on matrix

Subject to the following notes, the policy, as represented in the matrix, will be strictly adhered to:

- 1) Each application will be considered on individual merit
- 2) Applications within the CIZ are subject to the special policy on cumulative impact at para 3.1, and those within the special stress area to the special stress policy considerations at para 3.2.
- 3) Departure from the matrix policy is expected only in exceptional circumstances
- 4) Exceptional circumstances will not include quality of management or size of venue except where explicitly stated in policy matrix.
- 5) Exceptional circumstances may include: consultation with and meeting requirements of responsible authorities, an appropriate corporate social responsibility policy, community contribution to offset impact (such as financial contribution to infrastructure), community support, alcohol sale ancillary to business activity (demonstrable to responsible authorities and licensing authority, for instance by licence condition allowing authorised officers access to sales accounts).
- 6) The following licensing activities are encouraged and valued by the licensing authority: outdoor regulated entertainment, community based street parties,

members clubs, traditional pubs outside the city centre and non-alcohol led licensable activities, particularly within city centre.

7) Other Areas; consideration will be given to the nature of the area and location in relation to any application. In a residential area for example the concerns of local residents will be relevant when considering applications for off-licences, pubs or cafes, especially if there is evidence of anti-social behaviour, street drinking or underage drinking. Earlier closing times may be appropriate. Regard will be had to the Public Health Framework for assessing alcohol licensing on our website www.brighton-hove.gov.uk/licensingact.

8) In an area where there are already several existing off-licences or where the premises is situated within a parade with another off licence and where representations are received about negative cumulative impact on the licensing objectives of a further premises, the application may be refused on these grounds or restrictions placed on the terminal hour to reflect opening hours of other shops.

9) Outdoor events will be supported where arranged through the council's event planning process. Generally, regulated entertainment in the open air including tents and marquees should have a maximum closure hour of 2300. Earlier hours may be imposed in sensitive open spaces or near residential areas. The licensing authority will have regard to Noise Council guidance.

10) Non-alcohol led category does not include "alcohol in shared workplaces". It is recommended that sale of alcohol in shared workspaces should have a terminal hour of no later than 10pm. For further advice and guidance on "alcohol in shared workplaces" please see paragraph 3.3.4-3.3.6.

3.3.3 Cafes - the licensing authority may be prepared to look favourably upon an application for the grant of a licence, subject to the following conditions that will prevent the premises becoming a public house.

- The sale of intoxicating liquor and other beverages shall be waiter/waitress service for consumption by persons seated at tables.
- Substantial food shall be available at all times. The licensing authority shall judge each case on its own merits but as a general rule, a bowl of crisps, nuts, or olives does not constitute substantial food.

3.9 Promoters and irresponsible drinks promotions

3.9.1 The Licensing Act 2003 makes no mention or provision for the use of promoters within licensed premises. Many of the late night bars and clubs within the Brighton & Hove Cumulative Impact Zone regularly hire promoters to sell nights at their venues. In recent years with the introduction of promoters within the Brighton night time economy, several issues have arisen. This includes promoters vouching for underage customers to get them inside licensed premises where they can access alcohol, providing flyers to passers-by who throw them on the floor and irresponsible promotions for their nights. Many premises now have an agreement with their promoter for acceptable promotions and behaviour which includes the signing of a written contract of expectations. This shows premises evidencing their due diligence and ensures that promotion companies know what is expected of

them. The contract could include, obligations to pick up self-generated litter, verification of ages of their customers and users of their social media, promoters being over the age of 18 and responsible advertising on social media.

3.9.2 The Licensing Authority expect licensed premises to develop staff policy and training on recognising signs of drunkenness and vulnerability, for example, offering drinking water and tips for refusing customers who appear drunk. And discourage company polices that promote bonuses and sales incentives for selling alcohol. Licensing Authority will expect necessary precautionary processes to restrict drunkenness, e.g. Licensing Guidance states happy hours should not be designed to encourage individuals to drink excessively or rapidly.

4 Prevention of Crime and Disorder

The following details and measures are intended to address the need for the prevention of crime and disorder which may be associated with licensed premises and certificated club premises. Conditions attached to licences and certificates will, as far as possible, reflect local crime reduction strategies.

4.1.1.1 The licensing authority acknowledges that training and good management play a key part in preventing alcohol and drug related crime. The authority expects that all licensees of on-licensed premises attend training programmes which will raise their awareness of the issues relating to drugs and violence in licensed premises, and that suitable training be extended to all bar staff and door supervisors so that drug dealers and users will be deterred from using licensed premises for illegal purposes and that incidents of violence in licensed premises will be reduced. Licensees are also encouraged to attend training programmes to help identify children at risk and issues of basic child protection. It is the duty of the designated premises supervisor (DPS) to train staff on induction concerning conditions on their premises licence.

4.1.2 It is expected that the DPS will spend a significant amount of time on the premises. When not on the premises it will be essential that the DPS is contactable, particularly should problems arise with the premises and that staff are authorised by the DPS.

4.1.3 The location of violent attacks, anti-social behaviour and hate crime or related incidents may be used to justify closing times.

4.2 Care, control and supervision of premises

4.3.1 The Licensing authority supports the Business Crime Reduction Partnership and other approved schemes. Where appropriate, premises licence holders should be members of the BCRP for the deterrence to violent crime that such membership provides. The BCRP NightSafe radio scheme is normally expected as an operational requirement for city centre bars, clubs and pubs and is an example of good practice in achieving the aim of reducing crime and disorder and improving public safety. Well managed pub-watch schemes provide information exchange between the premises licence holders and responsible authorities that reduce and deter violent crime and disorder. The council will support a responsible licensing scheme.

4.3.2 The effective management and supervision of a venue is a key factor in reducing crime and disorder, both within it and outside. The police will consider the

applicants, objecting to the application where appropriate. The police may suggest crime prevention measures in relation to, for example, the internal layout of the premises, closed-circuit television, help points, lighting and security staff. The police may ask for conditions which support such measures to be imposed when licensing applications are granted, eg type of licence, capacity, operating hours restrictions.

4.3.3 Following the grant of a licence, the management and supervision of the premises, in so far as it might impact on crime and disorder, will continue to be monitored. Particular attention will be paid to any licensed premises where there is evidence of criminal activity or any association with racist or homophobic crime. The licensing authority will keep itself well briefed on the nature, location and type of premises where alcohol related violence and disorder are occurring so it can take full account of the facts and avoid exacerbating problems as required by the Community Safety Strategy. Where licensed premises are found to cause nuisance or be associated with disorder or unreasonable disturbance, the review process may be invoked, and powers of revocation or the imposition of conditions may be considered. Conditions may include use of closed-circuit television, licensed door supervisors and earlier closing times. Such action to restrict the operation may be taken for trial periods to allow businesses an opportunity to remedy existing disorder, nuisance or disturbance.

4.3.4 This policy recognises the use of registered Door Supervisors All Door Supervisors will be licensed by the Security Industry Authority. Mobile security units and similar systems are in use by some premises operators as a means of providing security cover at very short notice at premises which may not normally require a permanent security presence. This policy endorses the use of units following such guidance and standards in appropriate circumstances.

4.3.5 The development of codes of practice and general operating standards for security companies is encouraged for local businesses; premises operators are urged to ensure that security services, when engaged, are provided by suitably qualified businesses operating to recognised standards and who should be working towards SIA accreditation.

4.3.6 Enforcement will be achieved by the enforcement policy appended (Appendix B).

5 Public Safety

The following details and measures are intended to address the need for the protection of public safety which may be associated with licensed premises and certificated club premises.

5.1.1 The permitted capacity is a limit on the number of persons who may be on the premises at any time, following a recommendation by the relevant fire and rescue authority under the Regulatory Reform (Fire Safety) Order 2005. For any application for a premises licence or club premises certificate for premises without an existing permitted capacity where the applicant wishes to take advantage of the special provisions set out in section 177 of the 2003 Act, the applicant should conduct their own risk assessment as to the appropriate capacity of the premises. They should send their recommendation to the fire and rescue authority which will consider it and decide what the “permitted capacity” of those premises should be.

5.1.2 Normally in the city centre, pubs and clubs will be expected to operate using polycarbonate or toughened/shatterproof glass.

5.1.3 Conditions may be imposed in accordance with operating schedules to protect public safety including where justified:

- (a) provision of closed-circuit television and panic buttons.
- (b) use of shatterproof drinking vessels; bottles requiring use of toughened glass or plastic should normally be required unless applicants can show exceptional reasons.
- (c) use of door supervisors, licensed by the Security Industry Authority.
- (d) requirement of a minimum of a licensed door supervisor for every 100 customers in nightclubs and large city centre pubs or as indicated by risk assessment.
- (e) occupant capacity conditions will be applied where appropriate.
- (f) the provision of designated and suitably trained first aiders.

5.1.4 Where appropriate, licence holders or their authorised representatives will submit event safety plans and operating manuals, attend Event Planning Teams or Safety Advisory Groups and similar meetings prior to large events and shall be part of Event Liaison Teams during such events. Due regard shall be had to relevant guidance and publications including, for example: HSE approved code of practice for events

6 Prevention of Public Nuisance

The following details and measures are intended to address the need for the prevention of public nuisance which may be associated with licensed premises and certificated club premises:

6.1.1 In determining applications for new and varied licences, regard will be had to the location of premises, the type and construction of the building and the likelihood of nuisance and disturbance to the amenity of nearby residents by reason of noise from within the premises, as a result of people entering or leaving the premises or from individuals or groups of customers gathered outside (eg in order to smoke).

6.1.2 Applications for new licences or for the extension in size of licensed premises should not normally be granted if the premises will use amplified or live music and operate within or abutting premises containing residential accommodation except that occupied by staff of the licensed premises. A condition may be imposed on new licences that entertainment noise shall be inaudible in any residence. Noise emanating from within licensed premises should not normally be audible outside.

6.1.3 Installation of sound limiting equipment and sound insulation may be required to minimise disturbance to the amenity of nearby residents by reason of noise from the licensed premises.

6.1.5 In determining applications for new licences or extensions in hours or terminal hours of licensed premises, regard will be had to late night public transport availability and location of taxi ranks to aid dispersal of customers.

6.1.6 Reasonable controls are available to all premises operators to minimise the impact of noise from customers outside. The council's Environmental Health

Department has issued guidance on a number of steps that can be taken in this respect which are endorsed by this policy (see 6.2 below).

6.2 Smoking Advice

6.2.1 Premises licence holders will be expected to:

- Develop a management plan on how to manage smoking on your premises and ensure that all staff are aware of the contents of this plan, and that it is effectively implemented. Noise from people smoking and talking can be intermittent, vary in character and volume and be intrusive. An effective smoking management plan will help prevent neighbours being disturbed.
- Comply with any planning conditions restricting the use of outdoor areas.
- Ensure that any structures used by smokers comply with the design criteria detailed in the Heath Act 2006 and that any structures, awnings, retractable canopies, etc. have the relevant planning permission.
- Ensure any new lighting to outdoor areas must be designed so as not to cause a light nuisance to neighbours and again have the relevant planning permission and building control consent.
- Ensure that the conditions on the premises licence are complied with. There may be conditions restricting the hours of use of gardens and outdoor areas. Having reviewed the contents of the premises licence you may find it necessary to request a variation of your licence.
- Licence tables and chairs on the Public Highway under the provisions of the Highways Act 1980. These licences may have conditions restricting the times that the area can be used.
- Ensure drinks, glasses and bottles are not taken onto the highway unless there is a tables and chairs licence permitting use. A system should be adopted to prevent theft and 'spiking' of drinks and reminding customers not to leave unattended items.
- Discourage smokers remaining in gardens and outdoor areas and determine terminal hours.
- Discourage smokers remaining outside by removing/disabling tables and chairs or prohibiting their use after a certain time. Lights and heaters will also be turned off.
- Introduce a system that after a certain time the number of smokers outside are restricted to a maximum number. Staff will be needed to manage this restriction.
- Employ staff and/or SIA registered door supervisors to manage doors and control customers and smokers entering and leaving the premises. Staff positioned on the doors can help to encourage customers not to cause a noise problem. It may be that staff are required to manage doors after a certain time, particularly during the hours when neighbouring residents are trying to sleep.
- Ensure door supervisors maintain order outside venues and protect customer safety. BCRP supports the use of Night Safe. Radio net and other pager systems and pub watch schemes can be used to provide for rapid police response and alert other venues where customers and staff are endangered.
- Position signs to remind customers that the premises is in an area where people live. It is not always obvious in busy commercial streets with flats above. By changing the design and wording of signs customers do not forget. Signs can be located in and outside the premises and on tables.
- Use CCTV to manage outside areas.

6.2.2 Licensed premises should normally display prominent, legible signs at exits reminding customers to leave in a quiet, peaceful, orderly manner.

8 Integration of Strategies

8.1.1 The licensing authority shall secure the proper integration of this policy with local crime prevention, planning policy, transport, tourism and cultural strategies by:-

- Liaising and consulting with the Sussex Police, Community Safety Forum, Sustainability Commission representatives and following the guidance in community safety and crime and disorder strategy
- Liaising and consulting with Public and Alcohol Programme Board
- Liaising and consulting with the East Sussex Fire & Rescue Service
- Liaising and consulting with the Local Strategic Partnership, Safety Advisory Group (Emergency Planning) and Equalities and Social Justice Consultation Forum
- Liaising and consulting with the Planning authority
- Liaising and consulting with the Highways authority
- Liaising and consulting with local business and business associations. Having regard to any future documents issued relating to the Private Security Industry Act 2001, for example liaison or information sharing protocols
- Liaising and consulting with the Trading Standards Team, for example with regard to test purchasing codes of practice

8.1.2 In line with statutory requirements and the council's Inclusion Policy, the Licensing Authority shall have due regard to the need to eliminate unlawful discrimination, and to promote equality of opportunity and positive relations between persons of diverse backgrounds, for example communities of interest such as: lesbian, gay, bisexual and transgender people; disabled people; racial and ethnic groups; religious and faith groups.

8.1.3 This policy supports the aims of the tourism strategy, recognising the benefits for the tourism economy of creating a safer and more attractive city centre and improving competitiveness with other European cities. The Licensing Committee should receive any reports relevant to the needs of the local tourist economy and the cultural strategy for the area to ensure that it considers these matters.

8.1.4 The Licensing Committee should receive relevant information relating to the employment situation of the area and the need for new investment and employment where appropriate.

8.1.5 Specific conditions may be attached to premises licences to reflect local crime prevention strategies. Such conditions may include the use of closed circuit television cameras, use of the NightSafe radio system or accredited scheme, the provision and use of shatterproof drinking receptacles, drugs and weapons search policy, the use of registered door supervisors, specialised lighting requirements, hours of opening. Certificates issued to club premises shall reflect local crime prevention strategies and may include any or all of the requirements listed above.

8.1.6 The licensing authority will have regard to the need to disperse people quickly and safely from the city centre to avoid concentrations which may produce disorder and disturbance.

APPENDIX A – Licensing Best Practice Measures

Best Practice Measures to be included for consideration, in particular in SSA:
Matters that would normally be expected in operating schedules:

- the adoption of a policy (e.g. Challenge 25) with acceptable proof of ID as per existing Statement of Licensing Policy
- all off sales to be made in sealed containers for consumption away from the premises
- a smoking policy which includes an assessment of noise and litter created by premises users
- the use of plastic or polycarbonate drinking vessels and containers, especially in outside areas or after specified hours
- a policy in relation to searching customers and for drugs, weapons, seized or lost and found property
- use of a refusals book for registering attempts to buy alcohol by under-age persons or refusals to those intoxicated
- the installation of a digital CCTV system by liaison with, and to a standard approved by, Sussex Police
- policies for dispersal of customers which may include signage regarding taxi services' telephone numbers and advice to respect neighbours and minimize noise

Items to which positive consideration would be given:

- membership of Business Crime Reduction Partnership, Pubwatch, Neighbourhood Watch or similar schemes
- use of 'Night Safe' radio system or similar accredited scheme
- regular training and reminders for staff in respect of licensing legislation, policies and procedures; records of which should be properly recorded and available for inspection
- records of regular checks of all parts of the premises in relation to drug use
- systems in place to ensure details of barred clients are exchanged with other operators
- giving an agreed minimum notice of special events (screening of major sports events, birthday parties, adult entertainment, etc.) to relevant authorities and use of appropriate additional measures at such events

Recommend best practice for both on and off premises

- Staff must be aware of the risk of the problem of proxy sales and offer assistance to responsible authorities to deter offences
- Signage on premises should set out legal duties
- Voluntary restriction of high strength alcohol – operating schedules may be used to limit high ABV beers and ciders
- Staff training – in addition to personal licence holders training, staff must be adequately trained for duties
- Challenge 25 would be the norm, particularly in the off licence trade
- Signage – proxy sale – deterrence

5. FINANCIAL & OTHER IMPLICATIONS:

Financial Implications:

- 5.1 The Licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the regime.

Finance Officer Consulted Michael Bentley

Date: 14/09/22

Legal Implications:

- 5.2 The licensing authority must act to promote the four licensing objectives which are:
- The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm

The licensing authority must have regard to its statement of licensing policy and the guidance issued by the Secretary of State in carrying out its functions.

Lawyer Consulted: Rebecca Sidell

Date: 13/09/2022

Equalities Implications:

- 5.3 Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

Sustainability Implications:

- 5.4 Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.
