Dear Sarah,

As you will be aware Sussex Police submitted a supporting representation in regards to Immigration's request to have the premises licence for Donatello's revoked following an inspection of the premises which they conducted on 09th November 2022.

Since then we are aware that both Immigration and Donatello's legal team have been in discussions and we have read through the witness statement from Donatello's that was sent to us on 30th December 2022. From reading through all the most recent paperwork that has been made available to us we are now satisfied that the concerns we raised within our supporting representation have been addressed.

On reading the witness statement we believe the directors have acknowledged and taken on board the seriousness of their action in regards to the failure to conduct the appropriate employment checks and that going forward safeguards have been put in place to ensure there is no repeat of this. It is important to note that the circumstances which instigated the review process have been recorded within our systems and could form part of any future decision to review the licence.

As we mentioned within our original representation we have never had any concerns over breaches of the premises licence conditions or had incidents reported to us requiring police attendance. Because our concerns raised have been addressed within the witness statement we no longer believe we will have anything of weight to add to the proceedings and officially withdraw our representation. Due to this we will no longer be in attendance at the hearing scheduled for 11th January 2023 at Hove Town Hall.

Should you need any further clarification please do not hesitate to contact us.

Kind Regards

Mark.
