a) General – all four licensing objectives (b,c,d,e)
List here steps you will take to promote all four licensing objectives together.
1 - 24/7 CCTV operational at the premise 2 - No seats for sitting after 23:59 3 - contracting a third party security firm available for call out during the hours of operations.
b) The prevention of crime and disorder
1 - there will be 24/7 CCTV system operating at the premise to cover the inside and outside of the shop. 2 - there will be warning signs outside and inside the shop to warn the public and the customers that there are CCTV cameras operational at the premise. 3- Maintain an up-to date contact details where CCTV cameras have failed to operate then we shall notify the council and the relevant police department about the failure. At the same time will take the necessary steps to bring the equipment to work.
c) Public safety
1 - we do not serve alcohol therefore the chance of anything disorderly taking place at our takeaway shop is minimized. In addition, the CCTV will help discourage anyone trying to put the public safety at risk. 2 - we will have the benefit of contracting an outsourcing security firm whom will be providing personal assistance at the hours of operations.
d) The prevention of public nuisance
the only reason we will have people in the shop is to buy food. most of our food is ready to serve. on average a customer spends around less than 5 minutes inside the shop. once they take their food there will be no reason for them to hang around as we will not be providing them any seating after 23:59 hours
e) The protection of children from harm
