Is best way to object but here write as best I can for now a quick explanation of my worries concern issues

I wish to object on grounds of noise and nuisance I am a REDACTED premises even at present I am REDACTED Bread and milk businesses activities mean I am woken every day at 4 am in the morning then sixam by deliveries then table are often taken out as early as 7am or 7 20 am a whole hour before I believe they are legally permitted. They have installed permanent seating which invite loitering and loud conversations at the most random unsocial hours I also REDACTED as table and chair are REDACTED, they have redesigned their window to slide open which now creates further noise and nuisance The whole ambience of our area is now when busy that of a dinning room you can not turn off further their staff customer deliveries will stop park imediatley REDACTED I really am suffering with my mental health and well being as a result of this 7 days a week

The only rest bite is when they leave at 6 if they plan to open till 9 I dont know what I will do if the consumption of acohol outside at tables in evening till 9 pm will make for greater unbearable noise and nuisance already I have issue with the next door business REDACTED outside tables in evening who dont take their tables in until midnight and because of noise I can now for years no longer REDACTED
