- 1.1 To receive the following petitions presented at Council, any petitions presented directly to the Cabinet Meeting or any e-Petition submitted via the council's website.
- **185. (i)** To receive the following petition presented at Council on 28 January 2010 by Councillor Carden and signed by 156 people:

We, the undersigned, call on Brighton & Hove Conservative Council to reconsider its decision to explore the sale of Hangleton Bottom for waste uses and other development. We understand that the council's Waste Local Plan identifies several sites for waste use across the city and feel local people should have been consulted and informed of all other options before Hangleton Valley was singled out with no notice and no local consultation before the decision was made.
