

## Appendix 4

### Video Evidence in Support of The Paris House

Set out below are links to videos that have been posted onto You Tube in support of The Paris House. These show several different aspects:

1. App-Based Noise Monitoring Videos
2. General Background
3. Atmosphere within The Paris House, and
4. Walk Around 'In-Out' Videos

They have been placed on You Tube as a means to make easily accessible the video by clicking the links below. This is also a very useful means of enabling the Council Officers and The Panel to see the videos we have posted – as this is a much easier way of transferring large files.

As seen below, many of these videos have already been submitted many years ago, contemporaneously, to the Council when complaints have been raised by the Applicants.

#### App Based Noise Recording

- Our App based system records video and sound levels too.
- This video was recorded on **Sat 20<sup>th</sup> April 2024** at 10.40p. This was the date of **REDACTED** visit to compile his Expert Acoustic Report.

- The video shows the outside of Old Market Cottages (home to 2 of the Applicant households).
- **Please note – the upstairs large window to one of these houses is wide open to fully capture all sound.**
- There is no mention of the noise levels at this time in **REDACTED** Expert report.

#### General Background of The Paris House

<https://www.youtube.com/watch?v=0pgEZugsdE0> This is a short film (10mins) produced by students to record what the Paris House means to its Community of users. It was not commissioned by us and we had absolutely no editorial control or influence on its production

#### Atmosphere within The Paris House

- <https://youtube.com/watch?v=plmK0V1eIQs&si=Yp3MFmuY7ThfRiXT> This is one of most popular ever post son Social Media. It shows the utter joy of two of our regular 'not-young'uns' dancing to the Monday Boys.
- [\(20+\) Video | Facebook](#) – A short extract showing the original Monday Boys (Mick Hamer on keyboards and Gerry Higgins on Double Bass)
- <https://youtu.be/UH8afEE-HDw> A lovely video showing our 'Classical Music night from St Valentines' Day 2023 – featuring two new Brighton-Base Musicians

#### Walk-around 'In-Out' videos

These show a sample of videos taken by me personally. They capture the sound inside the pub, before leaving to go outside (and vice versa). These are in a single take and over an extended period of time ie not edited.
