B) Additions

Please note I was tired of taking videos and dB readings over the last 2 years hence no evidence at the end of 2023.

Day & Date	Times of Incident		Description of breach of licensing condition	Describe how the incident (at a specific time) affected you	Evidence	PH Publish ed Event	Live or recorded
	From	To					
Tuesday 21 November 2023	18:30		Noise Irritation	I could hear loud drums playing as I walk through the community garden past TOM, so I walked up to PH and see the doors closed with three people playing; one on a massive keyboard. It is intrusive and very irritating to be forced to listen to PH while out walking, and even with the premises out of sight. **	None recorded	None at 18:30	Live
Monday 4 th December 2023	21:30		Noise nuisance	I heard shouting which was so loud outside it sounded like a fight, so I went outside to check if anyone was in danger. A group of men were shouting loudly and aggressively at each other outside PH.	None recorded	None	n/a
Tuesday 12 th December 2023	20:00	22:00	Noise nuisance	Incredibly loud in PH and nobody outside. I can hear it in my living room and my kitchen. I turn the TV up to drown it out. Really frustrating as I want to go to bed but there's no point because I won't be able to sleep. 21:42 I can hear it in my bedroom.	None recorded	REDACTED	live
Friday 15 th December 2023	21:00	02:00	Noise nuisance	21:39 people shouting outside and I can hear music in my kitchen. I went up to bed just after and was woken by shouting at 12:47 by a very large group outside PH shouting and laughing. It took me some time to get back to sleep.	None recorded	REDACTED	recorded
Thursday 21 st December 2023	20:00	22:00	Noise nuisance	21:45 the shouting and music is so loud I can feel the reverberations in my kitchen and bedroom. I went up to PH to see what was going and the noise was booming.	None recorded	REDACTED	Live

Sunday 31 st Dec 2023			I left Brighton and stayed at my Mum's in Kent to avoid being kept awake all night by the Paris House New Year's Eve party, starting with live music at 19:30 and then recorded music until the early hours. My Mum was at her partners in Hastings as he is having palliative care and was too unwell for visitors. I chose to spend NYE alone and have some sleep rather than the inevitable sound invasion and sleepless night due to PH. This is not how I wanted to spend NYE.	n/a	REDAC TED	Live and recorded

**Please see the notices outside TOM which asks everyone to keep the noise down in this residential area. The same area that some PH supporters claim is not residential.
