Representations

Five (5) objections received, issues raised:

- ▶ Too high, comes forwards of the existing building line
- ▶ Footprint of the proposed building substantially greater than the existing building
- ▶ Top floor terrace would result in overlooking towards neighbours
- ▶ Outdoor machinery could be noisy

Full details of representations received can be found online on the planning register.

Key Considerations

- ▶ Principle of the development
- ▶ Design and appearance
- ▶ Landscaping
- ▶ Arboriculture
- ▶ Impact upon amenity
- ▶ Standard of accommodation
- ▶ Transport
- ▶ Ecology, Sustainability, Archaeology

Conclusion and Planning Balance

- ▶ No objection to the principle of the development.
- ▶ Design of high quality and would contribute to the eclectic mix of architectural styles in the Roedean area
- ▶ The amended plans are considered not to result in significant harm to the amenity of neighbours
- ▶ Generous standard of accommodation
- ▶ Matters relating to ecology and archaeology can be addressed through conditions.
- ▶ Overall the scheme is considered to be of a high standard of design which would modernise the site, in keeping with other contemporary replacements on the street. No impacts of concern are noted so the scheme is considered acceptable.

Recommend: Approval, subject to conditions.
