Dear Mr Carr

**INSTALLATION OF GATE - BRIDLEWAY I**

Some months ago, prior to my arrival, [redacted] of the Sussex Downs Conservation Board phoned [redacted] about the need to erect a gate at the commencement of bridleway I. This was required in order to prevent illegal vehicular access onto land occupied by W.D. Carr Partnership.

As a result of this I need to modify the definitive statement to include mention of this gate. I enclose a form which I would be grateful if you would fill in and return to me. In order to protect ourselves from any problems this form shows that permission has been give, albeit retrospectively by the Council. A second form is for your own records.

I look forward to receiving your reply

Yours sincerely
