Representations

Five (5) representations were received objecting to the application for the following reasons:

- ▶ The roof works harm historic character of the building and the conservation area
- ▶ The windows are not appropriate for the building
- ▶ The works are retrospective and there should have been enforcement action years ago
- ▶ The correct planning process and consultation process has not been followed
- ▶ The application should refer to the conservation area and the listed buildings
- ▶ Loss of privacy, loss of light and overshadowing
- ▶ Loss of property value
- ▶ Unauthorised works to the basement of the property and people living in the rear office building of the site
- ▶ The property is overdeveloped and overcrowded

▶ **Eight (8)** representations were received supporting the application for the following reasons:

- ▶ Good design
- ▶ The works are in character with the rest of the building
- ▶ The works do not cause overlooking or a loss of privacy
- ▶ There are no problems with the development

Key Considerations

- ▶ Design, Appearance and Heritage Impacts
- ▶ Impact on Neighbour Amenity

Conclusion and Planning Balance

- ▶ The design of the proposed windows meets the test of the desirability of preserving the character and appearance of the conservation area, with no significant harm to the host property.
- ▶ No significant impact on neighbouring amenity.
- ▶ Provides an improved two-bedroom dwelling, in compliance with Nationally Described Space Standards (NDSS) and policy DM1.
